As a follow up to his highly successful and much sought after work **Dispensational Truth** Baptist minister Clarence Larkin wrote **Rightly Dividing the Word** to explain how the fundamental doctrines of the Christian faith should be rightly divided in a series of contrasts such as law and grace faith and works sin and salvation Larkin's aim was not to express his opinion or the thoughts of other writers but to present biblical concepts based solely on the Scriptures with chapter and verse given for every statement The Bible Larkin said is not a heterogeneous jumble of ancient history myths legends religious speculations and apocalyptic literature There is a progress of revelation and doctrine in it You cannot understand Leviticus without Hebrews or Daniel without Revelation The judges knew more than the patriarchs the prophets than the judges and the apostles more than the prophets While the Bible is written for everyone he maintained it is addressed to three classes of people Jews gentiles and the church Now including updated layout and illustrations for easier review this work is designed to fulfill the author's original intent to confirm in the Christian faith those who are wavering and to instruct those who have not been clearly taught the great cardinal doctrines **Rightly Dividing the Word** Rev Clarence Larkin Estate, 1990-01-01 **Rightly Dividing the Word - Clarence Larkin** Clarence Larkin, 2007-01-01 The Fundamental Doctrines of the Christian Faith are clearly outlined in numerous books on Theology but they are not available to the average reader and were mainly written for students The Author has made it the work of his ministry to preach the Fundamental Doctrines To this end he has aimed to express them in the simplest and clearest manner possible This book contains the cream and meat of his sermons for over thirty five years condensed and arranged in a form that will grip and interest the reader because of the manner of their presentation The Charts are clear and simple and add much to the value of the book and will be suggestive to Preachers and Bible Teachers in presenting the Fundamentals **Dispensational Truth** Clarence Larkin, 2021-07-27 **Dispensational Truth** is the Rev Clarence Larkin's famous book on dispensationalism with his beautifully drawn black and white charts A must have book for any student of dispensationalism the book contains more than 115 charts maps and drawings The result of thirty years of study **Dispensational Truth** is a gold mine of information on prophetic truth for the busy pastor evangelist Bible teacher and everyone who loves God's Word In fact Larkin's charts have been called the gold standard of pre tribulation knowledge A trained draftsman Larkin diagrammed what he read during his Bible studies From his drawings and charts the study of God's Word has enriched generations of those who seek illumination and clarification regarding history prophecy and the future of mankind This book has sold thousands of copies since it was first published in 1920 Rightly Dividing the Bible Volume One David E Walker, 2018-01-10 An extensive yet simple and easy to read book about how to properly interpret the Bible Dr Walker has dedicated his time and effort in thorough research and

The Gospel According to Jesus John F. MacArthur, 2009-05-26 What is authentic faith? The Gospel According to Jesus challenges Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks, "What does it really mean to be saved?" He urges readers to understand that their conversion was more than a mere point in time; that by definition it includes a lifetime of obedience. John MacArthur tackles the error of easy believism by addressing these questions: "Is it possible to accept Jesus as Savior while refusing him as Lord? Can someone truly believe without actually repenting? How do obedience, commitment to Christ, and turning from sin fit together with the truth that we are saved by grace through faith alone?" The Gospel According to Jesus is just as powerful today as it was more than two decades ago. It is a Scripture-based clarion call for a rejection of the watered-down message that has gained popularity in the church and a return to the gospel Jesus preached. This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic, reinforcing the book's timeless message that Jesus demands to be both Savior and Lord to all who believe. This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ.

Biblical Studies on the Prophecies of the Rapture and Revelation Larry Phillip Russell, 2017-11-16 Biblical Studies on the Prophecies of the Rapture and Revelation is an introduction to and exploration of the Bible's teachings on the Second Advent of Jesus Christ. It distinguishes the Rapture from the Revelation. It affirms the Premillennial, Pre-tribulation, Rapture, and Dispensational views. Explored are various theological positions of the Return of Christ, Biblical history, Church history, and insights from key Scripture passages. Russell writes for inquiring laity, clergy, and seminarians. This work provides edification, inspiration, a wealth of Biblical knowledge, working together strands of history, theology, Biblical studies, statistics, and even humor. The book addresses the Unconditional Covenant God made with Israel, kindly refutes Replacement theology, the Amil, and Postmil views, defines Daniel's 70th Week, considers the future Tribulation Millennium, reminds of God's Sovereignty and Providence, warns of sensationalism, date setting, presents signs of the times, and touches on Apostasy. The book is a comprehensive eschatological work with significant amounts of doctrine, Biblical history, the history of Christianity, and interrelated eschatological considerations. It also admonishes practical Christian living and encourages seeking paths of holy living. If you desire to understand the distinctions between the Rapture and the Revelation, seek a challenging and rewarding journey of study, and if you would find your faith strengthened and your understanding increased, this book will be a helpful guide to your exploration.

Today's Decisions Oladipo David, 2019 God made us free moral agents, giving us the power of choice between good and evil. If He had wanted us to do what He says automatically, He would have made us as robots or puppets with no

ability to think or act for ourselves The world would have been a grand show of puppets and the puppet master However He wanted us to be in His image hence He gave us part of His essence the power of choice While we have the power to make the choices we want unfortunately we do not have total control of the consequences The consequences of your decisions or indecisions usually have a cascading effect Besides the direct impact on you the consequences could affect your children your spouse your extended family your community and ultimately your relationship with God In the same vein some of the ills we suffer today could have been caused by wrong decisions taken by our parents From contemporary and biblical examples we can see that the decisions of yesterday impact today and today's decisions will impact tomorrow And apart from breathing we do nothing more in our lives than make decisions these cannot be left to chance This book is a revelation that will restore refresh revive and renew anyone who cares to pay attention God bless you

Spirituality: An Interdisciplinary View Jennifer Mata-McMahon, Tihana Kovač, Grace Grace, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Even though spirituality can be considered as an innate human potential one which all are capable of experiencing and developing it has proven quite difficult to define among scholars This volume presents various takes and uses of spirituality looking into describing what it means together with considering applications of spirituality as a healing measure and practice Also spirituality's presence in the world around us in the form of nature mandalas and world soul is presented in this volume As well as spiritual aspects of literary pieces with rich analysis of story lines and characters tied back to spiritual parallelism and connotations This volume represents an interdisciplinary view on spirituality and the various uses this ephemeral term has in different fields of scholarship it represents a synopsis of the current interesting views scholars researchers and practitioners have on spirituality and matters of the spiritual realm

The Bible, Genesis & Geology Gaines R. Johnson, 2010-05-23 Does a time gap exist between the first two verses of Genesis In this book you will learn about a controversial lesser known literal interpretation of the Genesis narrative that does not contradict the scientific evidence for an Old Earth Commonly called the Gap Theory or Ruin Reconstruction interpretation it is a theological interpretation much older than Darwin's Theory of Evolution It is based on the Scriptural fact that in the second verse of Genesis the Holy Bible simply and clearly states that the planet Earth was already here but in a ruined state before the creative process of the seven days even begins The Bible itself provides insight into a great mystery in Earth's natural history

at what is known as the Pleistocene Holocene boundary Science remains at a loss to definitively explain the Ice Age and the anomaly of the mysterious mega fauna extinctions across the face of the Earth about 12 000 to 10 000 Radio Carbon years ago Geologic evidence from that period indicates extraordinary global massive volcanism gigantic tidal waves seismic activity on a vast scale and extreme temperature swings on the Earth over a geologically brief period of time It is no coincidence that the Bible at Genesis 1 2 describes the Earth as flooded desolate and in darkness in the time frame closely corresponding to these catastrophic events in the Earth s natural history Clearly these two mysteries are linked The Earth has an ancient natural history that can be deciphered from the geologic record but it also has an equally important ancient spiritual history that can only be deciphered from Rightly Dividing the Holy Bible Knowledge of both is required to correctly reconcile Geology and the Book of Genesis You Are Not ONLY HUMAN C. Orville McLeish,2017-09-07 Thus far we have not begun to tap into our human potential With the upsurge of Christian Mystics in this era there is a growing revelation of who we really are in God that has a startling resemblance to who Jesus Christ was as a man walking this earth This phenomenal spiritual awakening of epic proportions is sweeping the globe with no indication of dissipating anytime soon It is the emergence of the glorious church prophesied in Ephesians 5 without spot or wrinkle or any other blemish Everyone alive today including you has the divine privilege to choose whether to participate in this emergence or remain a slave to religious and institutionalized bondage This book explores the possibilities that exist within our DNA that have already been discovered and dares to explore even further possibilities hinted at but not yet experienced by most The cold climate of ignorance has suffocated the true church of the living God long enough and it is time to emerge You are a child of God not a servant and not a slave The potential within you is equal to that of Jesus Christ and Adam and Eve before they fell to sin Sin has encased us within a body of limitations weakness and insufficiency but God has dealt with sin Now the only thing that separates you from true union with God and participating in His divine nature is your own choice The Everything Bagel with a Side of Milk and Honey Sandra Henley,2017-08-09 Are you concerned or curious about current world events If so between the covers of The Everything Bagel readers will relish greater insight into mysteries concealed but revealed unto those who seek God s knowledge and wisdom The author provides a panoramic view from eternity past where God spoke in a heavenly language bringing forth the invisible particulates of creation into existence and capsulizing over six thousand years of history into the twenty first century No need to buy numerous books dealing with one subject when readers will enjoy a treasure of nuggets in The Everything Bagel This book provides a summary of biblical history marrying the scriptures together with world events allowing for an overview of all things Yahweh Satan s diabolical plan is exposed from its inception and his obsession with destroying God s future kingdom upon the earth It is important to highlight the journey of the Hebrew Israelites and the fulfillment of Messiah coming through the tribe of Judah Traversing through Bible prophecies readers will better comprehend the machinations of the one world order cabal operating through secret societies false religions wealthy

overlords and corrupt nations The book of Revelation is pivotal in these last days spotlighting the time frame for the war of Gog and Magog the building of the third temple in Israel and paving the way for Antichrist and the false prophet The world is standing at the precipice of the seven year tribulation period The redeemed of God will embrace their Sabbath rest in a land of milk and honey It is our greatest desire that the contents of this book will open the eyes of the sleeping masses and be a beacon of hope in these perilous times
