human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public **The Lesbian Index** Kim Emery,2002-01-01 Adds historical and philosophical perspectives to current debates over whether lesbian identity is socially constructed or genetically based **Lover** Bertha Harris,1993-10 Featuring fictional and historical characters this novel explores the roles women have played from grandmother sister and wife to businesswoman prostitute warrior artist and martyr In this edition Harris reintroduces her work providing background to the milieu in which it was produced

Sequels Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series Queer Legacies John D'Emilio,2020-10-28 The variety of LGBTQ life in Chicago is too abundant and too diverse to be contained in a single place But since 1981 the Gerber Hart Library and Archives has striven to do just that amassing a wealth of records related to the city s gay lesbian bisexual transgender and queer identified people and organizations In Queer Legacies John D Emilio a pioneering scholar in the field digs deep into Gerber Hart s collection to unearth a kaleidoscopic look at the communities built by generations of LGBTQ people Excavated from one of the country s most important yet overlooked LGBTQ archives D Emilio s entertaining and enthusiastic essays range in focus from politics and culture to social life academia and religion He gives readers an inclusive and personal look at fifty years of a national fight for visibility recognition and equality led by LGBTQ Americans who quite literally made history In these troubled times it will surely inspire a new generation of scholars and activists **Lost Causes** Valerie Rohy,2014-10-03 Causality dominates today s discussions of LGBT rights anti gay voices imagine gay proliferation through seduction influence and corruption while queer communities largely embrace biological determinism saying they are born gay Reading popular rhetoric psychoanalytic theory and British and American literature from the late nineteenth century through the present day Lost Causes decenters etiology from queer politics engages abject tropes of homosexual reproduction and considers the effects of retroactive absent and contingent causality

Sororophobia Helena Michie,1992 This book looks at how differences among women have been textually represented at a variety of historical moments and in a variety of cultural contexts including Victorian mainstream fiction African American mulatto novels late twentieth century lesbian communities and contemporary country music Sororophobia designates the complex and shifting relations between women s attempts to identify with other women and their often simultaneous desire to establish and retain difference Michie argues for the centrality to feminism of a paradigm that moves beyond celebrations of identity and sisterhood to a more nuanced notion of women s relations with other women which may include such uncomfortable concepts as envy jealousy and competition as well as more institutionalized ideas of difference such as race and class Chapters on literature are interspersed by inter chapters on the choreography of sameness and difference among women in popular culture **Understanding Gay and Lesbian Youth** David Campos,2005-09-28 Understanding Gay and

Lesbian Youth assists the classroom teacher school counselor and administrator in relating to gay and lesbian youth and creating accepting and supportive learning climates David Campos begins with a discussion of the current state of affairs regarding gay and lesbian youth in schools including a discourse on the developmental milestones and provides practical strategies for working effectively with these students The text concise yet comprehensive features Two surveys to assess school climates toward gay and lesbian youth Quizzes about gay and lesbian issues Personal stories by gay and lesbian youth and adults Perhaps the most salient feature of Understanding Gay and Lesbian Youth is that each chapter poses a series of questions relating to today s society such as Why are gay and lesbian youth considered at risk How does the development of gay and lesbian youth differ from that of heterosexual youth What do I do if a student tells me he or she is gay or lesbian
