Forensic Evidence and the Police Joseph L. Peterson, 1984

[Acid Crime](#) Matt Hopkins, Lucy Neville, Teela Sanders, 2021-03-01 This book provides an authoritative overview of the contemporary phenomenon widely labelled as acid attacks Although once thought of as a predominantly gendered crime acid and other corrosive substances have been used in a range of violence crimes This book explores the historical use of corrosives in crime legal definitions of such attacks the contexts in which corrosives are used

victim characteristics offender motivations for carrying and decanting corrosives and preventative strategies Data is drawn from the international literature and the analysis of primary data collected in the UK which is thought to have one of the highest rates of acid attacks in the world from interviews with over 20 convicted offenders and from police case files relating to over 1 000 crimes involving corrosive substances This book adds significantly to the international literature on weapons carrying and use which to date has predominantly focused around the possession and use of guns and knives

Evidence-Based Policing and Community Crime Prevention James McGuire,Emily Evans,Eddie Kane,2021-09-01 This book addresses and reviews progress in a major innovative development within police work known as evidence based policing It involves a significant extension and strengthening of links between research and practice and is directed to the task of increasing police effectiveness in the field of community crime prevention This volume provides an international perspective that synthesizes recent research results from the United States and other countries including systematic reviews of large bodies of evidence to illuminate several of the most challenging issues currently confronting police departments It examines recent advances in research based models of policing and the expanding base in outcome evaluation Key areas of coverage include Managing the nighttime economy Supervising sex offenders Tackling domestic intimate partner violence Addressing school violence and the formation of gangs Reducing victim and witness retraction and disengagement Responding to mental disorders safeguarding vulnerable adults and providing victim support Leveraging public awareness campaigns In addition each chapter presents an overview of key issues within a designated area synthesizes existing reviews and examines the most recent research The book clearly and concisely presents major concepts theories and research findings thereby providing both conceptual and analytic tools alongside an integrated presentation of principal findings and messages The volume concludes with a discussion of current directions in research key developments in policing strategies and identification of effective operational structures for facilitating and sustaining research practice links Evidence Based Policing and Community Crime Prevention is a must have resource for researchers clinicians and other professionals and graduate students in forensic psychology criminology and criminal justice public health developmental psychology psychotherapy and counseling psychiatry social work educational policy and politics health psychology nursing and behavioral therapy rehabilitation

Policing Rape Katrin Hohl,Elizabeth A. Stanko,2024-07-05 The policing of rape is in permacrisis This book addresses the question of why police investigations continue to fail most rape victim survivors and puts forward a framework for what policing can do to change this Low conviction rates and poor victim survivor experiences are the hallmarks of the rape justice gap Three decades of research policy and legal changes have tweaked rape investigations to alleviate some of their ills however for the majority of victim survivors the process remains gruelling Police forces are notoriously resistant to reform even in the face of rapidly declining public trust The starting point of this book is the recognition that if we want profound change in policing we must try something new To do so the authors move from asking

What is it about rape that makes it so difficult for police to investigate it well to asking What is it about the police that makes it so difficult for police to investigate rape well Policing Rape sets out a practice oriented theoretical framework for radically and sustainably transforming rape investigations rape prevention and the quality of officer engagement with victim survivors The authors reflect on the journey of putting this framework into practice within Operation Soteria Bluestone as a step on the path towards a radical transformation of rape policing This book is essential reading for all those looking to understand and improve the policing of rape

Sanders and Young's Criminal Justice Lucy Welsh, Andrew Sanders, Layla Skinns, Alpa Parmar, Ed Cape, 2021 Sanders and Young's Criminal Justice is an engaging account and a rigorous critique of the criminal justice system drawing on a wide breadth of research in the field

Crime Scene Investigation Jacqueline T. Fish, Larry S. Miller, Michael C. Braswell, 2010-12-13 Crime Scene Investigation offers an innovative approach to learning about crime scene investigation taking the reader from the first response on the crime scene to documenting crime scene evidence and preparing evidence for courtroom presentation It includes topics not normally covered in other texts such as forensic anthropology and pathology arson and explosives and the electronic crime scene Numerous photographs and illustrations complement text material and chapter by chapter fictional narrative also provides the reader with a qualitative dimension of the crime scene experience The text is further enhanced by the contributions of such recognized forensic scholars as William Bass and Arthur Bohannon Dozens of photographs and illustrations supplement the text Includes key terms discussion questions and a glossary A chapter by chapter fictional narrative provides a colorful look at a crime scene investigation

Entangled Elizabeth Castle, 2024-06-30 Brothers though not by blood must face the dangers of the past to win the women of their dreams On the outside he has it all good looks money charm On the inside Nash Camhion has dark secrets Only those closest to him know what he survived as a child He lost his grandfather and his innocence twenty seven years ago But between text messages and phone calls one woman helps soothe his battered soul Freya Jensen wants to help Nash Though they have never met in person she is determined to find the evidence needed to solve his grandfather's murder But when she finds DNA related to Nash's kidnapper a kidnapping she knew nothing about she discovers it's tied to a series of abductions and murders of young boys Though she knows Nash will not thank her she turns the evidence over to the FBI and the cold case heats up With Cantwell's game launch only weeks away Nash wants no distractions And more than anything he wants to put the investigation to rest But when he learns the man who took him murdered twelve boys the same age he had been he wants justice not for himself but for the twelve boys and his grandfather Freya is the key that will unlock the past Fate brings the past full circle and only by confronting the terror of his past can he claim his future and the woman who has captured his battered heart Note from author The Cantwell Quartet comes full circle This is the final book in the Cantwell Quartet four book series approximately 55 000 words Please note this is an open door romance I hope you enjoy Lizzy Castle

Project Reports of the National Institute of Law Enforcement and Criminal Justice, 1972 **Criminal Justice**

in China Mike McConville,2011-01-01 Criminal Justice in China is the most comprehensive work to date on the functioning of China's criminal justice system This book is essential reading for anyone who wants to understand any aspect of the system There are important insights on virtually every page including in depth study of the role of police procuracy courts and defense lawyers The book will be of value to anyone interested in governance in China *The Science of Crime Scenes* Max M. Houck, Frank Crispino, Terry McAdam,2017-07-07 The Science of Crime Scenes Second Edition offers a science based approach to crime scenes emphasizing that understanding is more important than simply knowing Without sacrificing technical details the book adds significantly to the philosophy and theory of crime scene science This new edition addresses the science behind the scenes and demonstrates the latest methods and technologies with updated figures and images It covers the philosophy of the crime scene the personnel involved at a scene including the media the detection of criminal traces and their reconstruction and special crime scenes such as mass disasters and terroristic events Written by an international trio of authors with decades of crime scene experience this book is the next generation of crime scene textbooks This volume will serve both as a textbook for forensic programs and as an excellent reference for forensic practitioners and crime scene technicians with science backgrounds Includes in depth coverage of disasters and mass murder terror crime scenes and CBRN Chemical biological radioactive and nuclear topics not covered in any other text Includes an instructor site with lecture slides images and links to resources for teaching and training **Solving Cold Cases** Joe D. Kennedy, Hogan Hilling,2023-03-17 Solving a cold case is extremely difficult and many are left unresolved In this book retired NCIS Special Agent Joe Kennedy details the methodology he created to solve cold case murders He offers an in depth behind the scenes look into why cases go cold how they are investigated and what is needed to successfully resolve them Author Kennedy shares his motivations and the lessons he has learned while solving these challenging cases Also examined are cold cases where other detectives have successfully implemented Kennedy's methodology Many books delve into the perspectives of criminals who commit murder but this text takes a fascinating gumshoe journey into the mind of a cold case detective and his passionate search for the truth Helping law enforcement solve cold cases brings justice and resolution for the victims and their families and this book provides detectives and true crime enthusiasts the tools to investigate cold cases in their own communities Compilation and Use of Criminal Court Data in Relation to Pre-trial Release of Defendants United States. National Bureau of Standards, J. W. Locke,1970 A number of pre trial release studies which have been conducted during the past several years show that various measures of criminal activity while on release vary from 7.9 percent reindictment for those indicted on felony charges to 70 percent re arrest of those originally arrested on a robbery charge Little actual sentence data were available for or presented in these studies and no personal data on the defendants or facts about the crimes themselves were shown This document describes a pilot study of a thorough analysis of criminal cases including both felonies and misdemeanors in a four week sample of cases in the District of Columbia during the first half of 1968 The

method of data collection is described together with attendant problems Summary data for 712 defendants in a sample of 4 weeks taken from the first half of 1968 are presented Comparisons are made to show the re arrest rates for defendants initially charged with particular classes of crime Personal characteristics are examined to determine if any are significant predictors of recidivism A recidivism index is formulated to give the rate of re arrest per man day of exposure Robbery cases are examined in more detail Author *Understanding and Preventing Online Sexual Exploitation of Children* Ethel Quayle, Kurt M. Ribisl, 2013-03-01 Over the last decade there has been dramatically increased interest in the ways that technology has been used in the abuse and exploitation of children due in part to increasing numbers of convictions for child pornography related offenses Opinion swings between those who feel that there is a danger of distorting the threat posed to children by technology and those for whom it appears that the threat has been grossly underestimated Current literature surrounding the debate at times seems to create more questions than answers and what quickly becomes apparent is that the data we have to inform our understanding is partial potentially context specific and at times seemingly contradictory This book broadens our understanding of the complex nature of online sexual exploitation of children and considers the risk that those engaged in Internet related offences pose to children in both the online and offline environments It focuses on cutting edge research and conceptual thinking that views perpetrators within context examines those impacted by such offending describes emerging legal and policy issues and proposes innovative strategies for prevention within a dynamic global environment *Understanding and Preventing Online Sexual Exploitation of Children* responds to the growing call for help across all practice areas from judicial to therapeutic and will provide an invaluable resource for practitioners and policy makers working in the field as well as students and academics studying sexual exploitation and cyber crime *Women Police in a Changing Society* Mangai Natarajan, 2016-02-11 Offering a fascinating account of the development of women police over the past twenty years this book refers to the author s extended research in India to examine how the Indian experience demonstrates a valuable alternative to the Anglo American model not only for traditional societies but for women police in the West as well With reference to the establishment in 1992 of all women units in Tamil Nadu this unique experiment proved highly successful in enhancing the confidence and professionalism of women officers and ensuring the effectiveness and efficiency of the police At a time when policing is being rethought all over the world not only in traditional societies the Tamil Nadu practice illustrates important lessons for western countries that are finding it increasingly difficult to recruit and retain women officers Natarajan s remarkable book is an important and original contribution to the literature on gendered policing which to date has concentrated almost exclusively on the US and British experience

Whispering the Secrets of Language: An Psychological Quest through **Sample Detective Case File**

In a digitally-driven world where monitors reign great and immediate connection drowns out the subtleties of language, the profound secrets and mental subtleties concealed within phrases usually get unheard. Yet, nestled within the pages of **Sample Detective Case File** a fascinating fictional value pulsing with fresh thoughts, lies an exceptional journey waiting to be undertaken. Penned by a talented wordsmith, this charming opus attracts readers on an introspective journey, gently unraveling the veiled truths and profound impact resonating within the material of each word. Within the psychological depths with this emotional review, we can embark upon a genuine exploration of the book is primary subjects, dissect its charming publishing type, and succumb to the strong resonance it evokes deep within the recesses of readers hearts.
