

The ACT Assessment

Sample Test Booklet and Answer Document

A sample answer document appears on pages 38 and 39. Instructions for using the sample test begin on page 33.

The booklet contains tests in English, Mathematics, Reading, and Science Reasoning. These tests measure skills and content highly related to high school course work and success in college. **YOU WILL NOT BE ALLOWED TO BRING ANY CALCULATOR TO THE TEST.**

The questions in each test are numbered, and the suggested answer for each question appears on the answer document. The rows of grids are numbered to match the questions. Fill the grids in each row and answer it by circling or writing the suggested answer.

For each question, first decide which answer is best. Then, circle on the answer document the row of grids numbered the same as the question. Then, circle the best answer in that row. Remember the order of your answer: circle 38 in the grid completely. Use a #2 or #3 pencil and make your marks heavy and black. **DO NOT USE A SHARPENED PENCIL.**

Make sure you answer to each question. If you change your mind about an answer, erase your first mark thoroughly before making your new answer. For each question, make certain that you mark in the row of grids with the same number as the question.

Only responses marked on your answer document will be scored. Your answer to each test will be scored only on the number of questions you answer correctly during the time allowed for that test. You will **NOT** be awarded for guessing. **IT IS TO YOUR ADVANTAGE TO ANSWER EVERY QUESTION IF YOU KNOW IT.**

You may work on each test **ONCE** when your test supervisor tells you to do so. If you finish a test before time is called for that test, you should use the time remaining to decide whether guessing will be uncertain about an item. You may **NOT** use books or a test on which time has already been called, and you may **NOT** go ahead to another test. To do so will deprive you from the examination.

Use your pencil down immediately when time is called on the end of each test. You may look for one response to an item for a test after time is called for that test. To do so will deprive you from the examination.

Do not handle the pages of your test booklet.
