Genesis 1 1 2 Hebrew Interlinear Bible Scripture4all:

How Does God Really Feel About Females? Joanne White Ferdinando, 2019-02-21 In the very beginning God made the male and female equal in gender and power so how did the female become secondary to the male This book comprehensively reviews the initial gender equality of the sexes how it was lost and why it should be reclaimed Accurate translation evidence is provided for words like desire rule head and submission words that have unnecessarily held back all females especially Christian females for thousands of years Clear analysis of male female brain functions biblical languages patriarchy ancient law codes complementarianism slavery rape marriage and verses like Genesis 3 16 and 1 Tim 2 12 should satisfy most skeptics that it was never God's intention for the female to be second to the male on a human totem pole They were made to stand together on the same rung of creation's hierarchical ladder and to freely use all of their talents and abilities Females are now and always have been equally loved in the sight of God and needed in the Church and world *Lady Midrash* Elisabeth Mehl Greene, 2016-06-03 What if the women of the Bible told their own stories Lady Midrash Poems Reclaiming the Voices of Biblical Women brings to life alternative interpretations and forgotten female perspectives from the Hebrew Bible and New Testament Following in the footsteps of Jewish midrash a storytelling tradition that explores the gaps in scripture these poems re-examine the experiences of Biblical women Sidelined heroines are celebrated Supposed villainesses get to speak for themselves Lady Midrash reverses convention probes familiar narratives attends to small moments highlights peripheral and silent characters and names the nameless The imagination of midrash provides the reader with a creative space to rethink assumptions and reconsider the accounts of women in the Jewish and Christian traditions *Marriages Designed In Heaven* Gaylon West, 2015-01-18 The subject of marriage is a timely subject The Bible simply defines marriage as a man takes a woman Happiness and well being in marriage is based on a specific design This design along with society's mores civil government expectations and ecclesiastical laws and fantasies are addressed Jesus message is compared and or contrasted with Moses the Prophets the Pharisees the Apostles and Medieval church leaders Over 40 translations of the Bible were consulted in addition to comparing the ancient Hebrew with its Greek equivalents through interlinears word studies lexicons dictionaries textual variants and scholastic articles and comments The appendix gives the history of Christendom's changing positions on marriage divorce and remarriage **Textual Developments** Emanuel Tov, 2019-09-02 Twenty eight revised and updated essays on the textual criticism of the Hebrew Bible the Torah the proto Masoretic Text the Septuagint and the Dead Sea Scrolls originally published between 2010 and 2018 are presented in this fourth volume of the author's collected essays These areas have all developed much in modern research and the author the past editor in chief of the international Dead Sea Scrolls publication project has been a major speaker in all of them The topics presented in this volume display some of his emerging interests the text of the Torah and the proto MT including central studies on the development of the text of the Torah the enigma of the MT and the Scripture text of the tefillin *The Tower of Babel in*

Genesis James Austin, 2012-11-29 This book takes the reader back to the Tower of Babel and discusses themes and ideas present that resonate throughout Genesis the Bible and into modern history The reader will more fully understand why the Tower of Babel narrative appears where it does in biblical history Furthermore the reader will learn why this event in human history remains one of the single most important events in the interaction of humanity and the divine *The Lost Data on the Chariots of the Elohim* Martha Helene Jones, 2008-12-31 Hebrew data on the Elohim in the Bible the Zarathustrian Magi who followed the star as it moved across the sky Zarathustra in the Rig Veda murders including Joshu Jesus committed by the Levite animal sacrifice cult of scribes who transcribed the Old Testament lost continents and the Great flood the Shemsu Hor and the winged disk of the Egyptians the sons of the Elohim who took wives from the daughters of the Adam mention of the little people in the bible and the Rh negative bloodline lacking in the earthling primate rhesus gene and much more research
