

## SUMMARY

The summary is a shortening of the essential points of a passage, speech or lecture to one third of its original length.

Summarising helps to confine information to the essential points.

### STEPS

- Identify the **purpose**.
- Read the passage for **comprehension**.
- Read the passage again and **underline** the important points.
- As a **first draft** write down the points you have identified.
- In the first draft you can **still quote** from the passage.
- Read through the first draft and check that **each point** you wrote down **connects** to the **purpose**.
- **Omit** all examples, figurative language, repetition, quotations, contrasts and analogies.
- **Reduce** phrases and ideas to one word if possible.
- **Count** the number of words.
- Provide a **title**. (Not part of word count)
- **Rewrite** the first draft into a final summary.
- Use your **own words** at all times. Replace a word with your own word and rearrange word order.
- Draw a **line through** your first draft.
- Write the **word count** at the **bottom** of final.

**What to Do**

### THINGS TO REMEMBER

- The **order** of the information may be **changed**.
- Use subordinating **conjunctions** to ensure that your text is smooth, e.g.: while, however, consequently, yet and nevertheless. The **colon** is useful for emphasis and linking.
- **Hyphenated** words and **acronyms** (FIFA, NATO or SABC) count as **one**.
- When **exceeding** the word **count**, the marker shall **stop marking after** the **sentence** in which the word count is exceeded is completed.
- As soon as you **quote even one** point you will only receive **one** out of a possible of 3 marks for **language**.

**Remember!!!**

**X-kit FET Grade 11&12 English First Additional Language** Sonja Burger,2007      **The Education Triple Cocktail**

Brahm Fleisch,2018-08-15 The Education Triple Cocktail brings together rigorous quantitative and qualitative research on a new approach to improving foundational teaching and learning for schoolchildren living in working class poor and remote rural communities in resource constrained systems like South Africa At the core of this book is the theory and evidence for a powerful new interlocking and mutually reinforcing change model Inspired by the AIDS treatment story the three pronged approach of structured daily lesson plans appropriate and high quality educational materials and one on one instructional coaching to help teachers transform their instructional practices in early grade classrooms shows that it will improve learning outcomes For education systems defined by low levels of early grade learning and profoundly unequal outcomes The Education Triple Cocktail offers a theoretically informed evidence based way forward This book will be of immense use to teachers students of Education policymakers and parents

**Equality in Education: Fairness and Inclusion** Hongzhi Zhang,Philip Wing Keung Chan,Christopher Boyle,2014-10-24 Equality in Education Fairness and Inclusion is a scholarly call to action As the book reminds us governments come and go and in doing so they busy themselves with policy to mark their patch Inequality and exclusion remain stubborn foes that are proving to be somewhat impervious to glossy policy pronouncements The change that Hugo Claus calls for requires careful analysis and bold actions The editors have assembled a collection of insightful essays that assist in that project Professor Roger Slee Victoria University Melbourne Australia This book attempts to consider the notion of fairness and inclusion in the context of education from different national perspectives which is a laudable undertaking The Editors have managed to put together a diverse informative and interesting account of equality and fairness that transcends international borders The Editors are to be commended on their remarkable achievement in bringing together so many authors to discuss such an important subject yet producing a cohesive collection of chapters that elucidate the diverse nature of equity in education Professor Divya Jindal Snape University of Dundee UK

University English for Academic Purposes in China Xiaofei Rao,2018-07-07 This book uses an in depth phenomenological interview approach to explain the generational characteristics of today s Chinese university youths and the critical dispositions they believe indispensable in acquiring English as an academic language in and outside school settings By presenting the authentic voices of the recruited participants the book clarifies how English for academic purposes EAP as an emerging global phenomenon and a research informed practice enables and empowers them for conscious self transformation and critical awareness development through language study The book also explores issues arising in the fields of general English language teaching as well as traditional and critical EAP and discusses university English language learners learning needs and rights The book further promotes a dynamic and transformative University EAP pedagogy of particularity practicality and possibility moving from the oppression of language education to its liberation and the increasing
