Grammar Exercise Reported Speech Exercise:

The Gramming Guide to English Grammar with Exercises Péter Simon, 2016-01-05 The Gramming Guide to English Grammar is a resource book on the grammar of Standard British English. It is intended for intermediate to advanced students of English as a second or foreign language who have already studied the basic grammar of English. It covers the most important areas of English grammar and concentrates on structures which may cause difficulty at an intermediate level or above. The book starts with a pretest that helps you identify the areas you need to work on. The pretest is followed by eleven chapters broken down to a number of subchapters that each deal with a specific grammar point. The related explanations are accompanied by real life sample sentences, timeline diagrams, tables and quotes. If a similar point or the same point is discussed in a different part of the book, you will find cross references to that point. Where appropriate, chapters begin with guiding questions and end with revision questions. Most of the chapters are followed by exercises including multiple choice, sentence transformation, error correction, gap filling and matching exercises, as well as communicative tasks that can be done in language lessons. At the end of the book, there is an appendix which contains a list of the most common irregular verb forms and the most important spelling rules, a list of the quotes that appear in the book and a glossary that defines grammatical terms frequently used in the explanations. The chapters in this book are not arranged in order of difficulty. This way, the book can be used for quick reference on specific points of interest as well as for systematic study, either as a self study grammar book or as additional material in an ESL/EFL course. No matter which way you use the book, it is recommended that you follow the cross references which will lead you to further information on a given item. The exercises which come with suggested answers are best done using pen and paper. These exercises will not only help you to practise grammar but also to tie grammatical forms to real world meaning.

English Language Grammar Book with Exercises & Answers B1 - Intermediate Level Elshad Aliyev, English Grammar Book B1 Intermediate Level. By Elshad Aliyev. This B1 Intermediate level English Grammar Book is designed to strengthen your knowledge of grammar and help you apply it in real life situations. With clear explanations of rules and exceptions, the book provides practical examples and plenty of exercises to reinforce what you've learned. The exercises are followed by answers so you can track your progress and identify areas for improvement. Understanding grammar is essential to mastering any language. Without a solid foundation in grammar, no matter how many words you know, it will be difficult to communicate effectively. This book is a crucial resource for advancing your English skills as the B1 level serves as a key milestone on your journey to language proficiency. Whether you're preparing for academic exams like IELTS, TOEFL or CLB or simply looking to improve your conversation skills, this book will support you in reaching your goals. As a certified Project Manager, Author and Tutor, I, Elshad Aliyev, am passionate about helping students succeed in mastering the English language and achieving their goals. My experience in teaching and mentoring students is reflected in the clear and structured approach of this book.
