Revelation Four Views A Parallel Commentary Steve Gregg:

Revelation, Four Views Steve Gregg, 1997 Four Views of Revelation A Parallel Commentary covers the traditional views in an even fashion Four parallel columns present the information you need on these key views and inform you about outstanding commentators on the book of Revelation

Finding the End of the World Ron Braley, 2011-03-18 Learn tools and techniques you can use in any Biblical study and then explore the History of Israel Use what you learn to analyze Old Testament prophecies and apocalyptic writings all in preparation for comparing accounts of what Jesus told His disciples on the Mount of Olives and for analyzing the Revelation given to John Round out your experience with in depth studies of end times players such as the Antichrist and the 144 000 redeemed from the earth Finally explore in great detail the major rapture positions and challenges presented by each Ron Braley's book *Finding the End of the World* is a great resource for any serious student of God's Word However it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation events of the End Times and eschatological controversies Instead the author gives the reader and student the tools to delve into the Scriptures and discover the answers Caution This may lead the reader to question and even jettison some previously held views of the End of Times While offering historical and theological background materials to consider I believe the greatest value of this book is the study tools guides and exercises it offers each student The result is creating students of the Bible who know how to read and study for themselves Ron Almberg Jr B A Th B M Div Ron Braley lives in Texas with Joanne his wife of 27 years They have 4 grown children and 2 grandchildren Passion for spreading the Gospel and helping others to build their faith has led to the development of this comprehensive guide and the creation of Finding Discipleship Inc Please visit www.findingrevelation.com for free instructor materials discussion boards and opportunities to contribute to the discipleship cause

Wrath and Glory, 3rd Edition David Reagan, 2021-05-14 Many Christians are very intimidated by the book of Revelation They are convinced that it contains nothing but bad news They are even further daunted by the great variety of bizarre interpretations of the book In this book Dr David Reagan explains that Revelation contains only good news for those who have received Jesus as their Lord and Savior Dr Reagan proves that any Christian can understand the book of Revelation if they are willing to accept its plain sense meaning As the Lord begins to open your understanding you will be thrilled by the promises of God that it contains for believers You will find yourself earnestly yearning for the Lord's soon return as never before This book is written for all denominations and ages It dispels the myths about Revelation showing that the messages of Revelation are desperately needed by the 21st Century Church which is apostasized from within and persecuted from without

Discovering the New Testament Mark J. Keown, 2022-05-18 Discovering the New Testament is a new and comprehensive introduction to the New Testament in three volumes reflecting current research and scholarship in New Testament studies Each volume provides a thorough discussion of background issues as well as treating theological themes and practical application In this third

volume Mark J Keown surveys Hebrews the General Epistles and Revelation In addition to covering introductory matters Keown addresses key concerns for each book such as the use of the Old Testament in Hebrews James s view of justification the relationship of 2 Peter and Jude and Revelation s various interpretative approaches Ideal for college or seminary students Discovering the New Testament provides numerous maps and charts as well as discussion questions for each chapter and a focus on real life relevance and application *Wrath and Glory* David Reagan,2001 Plainly explains the various end times positions Pre Trib Mid Trib Post Trib Preterist Historicist Examines the most frequently asked questions about Revelation Presents a fascinating look at the fate of the United States in Bible prophecy Clearly explains the relevance of the Revelation message to all people There are commentaries on the Book of Revelation but none like this one designed for the layman In his down to earth readable style prophecy teacher David Reagan strips away the mystery and intellectual jargon from this book that has so puzzled Christians for generations Giving a sensible overview of the book then giving brief summaries of the different schools of thought Reagan lets the book speak for itself emphasizing the spiritual riches waiting for the discerning reader In fitting with Reagan s style *Wrath and Glory* is meant as much for mainline denominations as for evangelicals

From Spectator to True Worshipper Mike Johnson,2024-05-20 God created all things He sustains all things but He lacks one thing He s seeking True Worshipers who will worship Him in Spirit and Truth This is an urgent search because John 4 23 says the hour has come and now is the time for these true worshippers to come forward and make themselves known This battle with sin all started over worship and we are urged to make the right choice in terms of who we worship There s a loud and urgent message emphasised in Revelation 14 6 letting us know that the hour has come for us to worship the Creator The book *From Spectator to True Worshipper* addresses one of the key issues in our relationship with Christ and explores Biblical concepts and principles around worship that can be incorporated into personal and congregational worship settings God has given us a glimpse of eternity through the act of worship and there is an acceptable form that is pleasing to Him *After Dispensationalism* Brian P. Irwin,2023-05-03 What God wants his people to know about the end times

Christians fixation on the end times is not new While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end So what does God most want us to know and do with prophecy In *After Dispensationalism* Brian P Irwin and Tim Perry sympathetically yet critically sketch the history beliefs and concerns of dispensationalism Though a minority view in the sweep of church history and tradition dispensationalism is one of the most influential end times systems today and there is much to learn from it And yet sometimes it gets sidetracked by overlooking the prophets main concerns Irwin and Perry reexamine the key texts and show that Ezekiel Daniel and Revelation primarily give a word of hope to God s people **Revelation: The Great Enigma** Dr. Nathan Ogan,2015-09-09 One of the most

difficult portions of the New Testament to consider and discuss with any real sense of certainty is the book of Revelation While its title in Greek means to uncover or disclose the book seems to be more confounding in its content than enlightening

for contemporary readers So we might ask How could such an elusive and complicated text come to be called Revelation Considering the diversity of opinions and interpretations of the book would it be more fitting to call it The Great Enigma Even the author himself seems perplexed at times by what he hears and sees Astonished is the term he uses in Revelation 17 7 While my intent certainly isn't to disparage the author by inferring that the book defies beneficial definition it is to face the truth of the rather perplexing place Revelation holds in Christian literature

Reading Revelation C. Marvin Pate, 2009-05-01 Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation It is a rich and hermeneutically complicated Scripture that unsurprisingly has no universally accepted interpretation Reading Revelation compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns

Interpreting Revelation and Other Apocalyptic Literature C. Marvin Pate, 2016-11-27 Christians live in two overlapping ages this present age and the age to come By examining Revelation and other apocalyptic literature from the Gospels and the Old Testament it can be argued that end time events and the age to come have already begun This understanding however can present many challenges How do we explain this blending of present and future How do the future resurrection of the body and the return of Christ impact pastoral care and sermon preparation now C Marvin Pate provides an accessible guide to the distinctive content form and function of apocalyptic literature Key principles of interpretation specific to this genre are presented as well as steps in communicating the theological messages of apocalyptic passages in the Bible Pate's in depth explanations offer a reliable introduction to this field of literature as well as new insights into the texts

Faith Reads David Rainey, 2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection

Revelation Realist Eric V. Cline, 2023-02-03 Like the rest of the Bible Revelation is profitable for doctrine reproof correction and instruction for righteousness God's revelation of Jesus is not coded or a maze of literature with secrets for only theologians to decipher The Holy Spirit makes the central message of the Bible available to everyone Revelation uses literary devices within the context of a message to communicate an absolute truth Open this book enter this symbolic but authentic world and be transported by all the visions of Revelation Warning you may be shocked out of spiritual slumber

The Cambridge Companion to Apocalyptic Literature Colin McAllister, 2020-03-26 Apocalyptic literature has addressed human concerns for over two millennia This volume surveys the source texts their reception and relevance

The Blackness of Utter Darkness M. Franklin Vance, 2011-07-08 What most people believe about hell is rooted in

ancient legends as found in pagan religions and Greek mythology The Blackness Of Utter Darkness compares the legend with the truth of Scripture The legend says that man is immortal Scripture says that immortality is conditional The legend says the wicked suffer torment forever Scripture says the wicked will perish The legend says that good deeds must exceed bad deeds to avoid eternal torment Scripture says that only those in Christ have eternal life The Blackness Of Utter Darkness separates myth from reality regarding life death and the afterlife and is a must read for all who have been confused about the traditional view of hell as portrayed by Dantes Inferno

Come out of Her My People Tony Kessinger,2004-01-14 Come Out of Her My People is the summons God issues to His people to disentangle themselves from the world Like the web of a spider the world ensnares the people of God with its allure This book is a study of how God continues to issue His call through the encouragement and exhortation of John the seven churches and to those who will be alive during the Tribulation period Never willing that anyone should perish God uses the Book of Revelation to take hold of mankind and shake his world in order to try and get his attention

When the Perfect Comes Dr. Brad Young,2022-08-08 A masterful yet truly accessible survey of end time theology Young presents complex topics in a very readable manner all the while remaining faithful to Scripture Micah Redfield Master of Theology from Denver Seminary Scripture affirms what the apostles passed down to the early church including that the church will go through the entire Tribulation and the Antichrist will come from the Middle East If the Early Church and ancient Jewish writings including Hosea are correct the Tribulation might start within the next three years Brad Young examines what the Bible tells us about the end time as well as the Second Coming of Christ He considers questions such as Why should we study prophecy How do we discover prophetic truth Can the Bible s prophecies be trusted What happens before and during the Tribulation Who will the Antichrist be and what is the Mark of the Beast How should we prepare for the Tribulation and Second Coming He also examines why there is a need for the Tribulation what happens when Christ returns and what the Kingdom of God will be like Other topics include the role of Islam during the end time as well as the role of Russia Also how Iran will spark a war in the Middle East just before the Tribulation Simplified and condensed with over 500 references When The Perfect Comes covers all aspects of prophecy which affect our lives and instructs us on the signs to look for This is the only prophecy book you need to understand the end time and what to do about it Discover what the Bible tells us about the Second Coming of Christ and change your life forever with the wisdom in When the Perfect Comes

Revelation Revealed Dr. Paul A Vallee,2019-11-22 In popular culture the focus of the biblical book of Revelation has been on the identity of the antichrist and the end of the world Though Revelation speaks to these issues the book is primarily about Christ and how he addresses humanity s enemies including our greatest enemy death Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner Often viewed as a confusing book that is difficult to understand filled with all kinds of incredible imagery Revelation actually brings a message of hope in times of perplexity and crisis In Revelation

Revealed Dr Paul A Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today s readers This book is the culmination of forty years of biblical study The content was originally presented to a live audience over the course of twenty six weeks The response encouraged Dr Vallee to put into print what the audience described as a positive message clarifying and removing misunderstandings and fear by instilling hope in a world that like the book of Revelation itself is often confusing and overwhelming Last Days Madness: Obsession of the Modern Church Gary DeMar,1999-08 Last Days Madness explains the most difficult prophetic passages clearly and concisely Gary DeMar sheds the light on Daniel 7 13 14 9 24 27 Matthew 16 27 28 2 Thessalonians 2 2 Peter 3 3 13 and dozens more He identifies the Beast the Antichrist and the Man of Lawlessness and clears the haze regarding Armageddon the rebuilding of the temple the meaning of 666 and much more This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness The Man of Sin Kim Riddlebarger,2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it s also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and comprehensive study **End Times Fiction** Gary DeMar,2001-11-06 Tim LaHaye contends that his bestselling Left Behind series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections The Left Behind Sensation Putting Tim LaHaye s Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter Readers will learn to develop a simple method of Bible interpretation and to assess the impact of Left Behind on the future of the church and our society
