## **Ruth God S Answer:**

God'S Response to Man'S Rebellion Jerry Waite,2010-12-01 It would seem that God still treats nations that have known Him and rebelled against Him like He did Israel in the past England sent missionaries all over the world but when their church buildings were empty and they no longer worshipped God through Jesus Christ they lost control of their colonies and have become bankrupt Today the US seeks to ban the use of Gods name even in prayer We are no longer looked on as a peace giving nation This book is a summary of Old Testament history that I taught teenagers many years It is from the perspective of one trained as a scientist who believes Gods Word is true I have applied my conclusions from my paper The Census of Israelite Men in the Exodus from Egypt Vetus Testamentum 60 no 3 2010 My warning is to escape Gods penalty for rebellion against Him

**Small Faith, Great God** Tom Wright,2012-10-15 In the midst of life s challenges so often our faith feels small and weak In this book one of the world s greatest Bible teachers reminds us that what matters is not so much our faith itself as Who our faith is in Faith says Tom Wright is like a window The point of a window is to allow us to see through it and let light into the room Faith allows us to see our situation and our own weakness in the light of God who is powerful holy and loving Tom Wright also looks at the character of the faith to which God calls us He shows how dependence humility and mystery all have a role to play He doesn t ignore the messiness and difficulties of life when hard times come and the unexpected knocks us down He explores what faith means in times of trial and even in the face of death Through it all he reminds us that what we need is not great faith but faith in a great God
