**An Amharic Conversation Book** Wolf Leslau, 1965      English-Amharic Context Dictionary Wolf Leslau, 1973 Engelsk amharisk ordbog De engelske ords betydning forklares ved hjælp af eksempler hvor de optræder i hele sætninger      **Oriens Christianus**, 2002      **The Book of Drugs** Mike Doughty, 2012-01-10 Mike Doughty first came to prominence as the leader of the band Soul Coughing then did an abrupt sonic left turn much to the surprise of his audience transforming into a solo performer of stark dusky but strangely hopeful tunes He battled addiction gave up fame when his old band was at the height of its popularity drove thousands of miles alone across America with just an acoustic guitar His candid hilarious self-lacerating memoir *The Book of Drugs* featuring cameos by Redman Ani DiFranco the late Jeff Buckley and others is the story of his band's rise and bitter collapse the haunted and darkly comical life of addiction and the perhaps even weirder world of recovery      **Mundus**, 1967      **Accessions List, Eastern Africa** Library of Congress. Library of Congress Office, Nairobi, Kenya, 1980 Number 6 includes cumulative main and added entry index for the monographs listed in that year      *Journal of African Languages and Linguistics*, 1997      **Book of Isaiah** Edward Joseph Young, 1992-11-30 A classic in conservative Old Testament scholarship this three volume commentary concentrates primarily on the meaning of the text of Isaiah rather than on specific textual problems Volume 1 covers chapters 1-18 Volume 2 looks at chapters 19-39 Volume 3 surveys chapters 40-66      **Songs of Ethiopia's Tesfaye Gabbiso** Lila W. Balisky, 2018-10-19 Tesfaye Gabbiso prominent Ethiopian soloist began composing song texts and tunes as a young lad in the early 1970s during a period of social and political upheaval in Ethiopia This national ferment strengthened a creative surge among a generation of youth as the Ethiopian revolution 1974-91 was taking hold An explosion of indigenous spiritual songs was one result The indigenous song style was in contrast to the imported and translated European hymnody that had earlier been sung in Ethiopia's evangelical churches Because of his testimony both in life and song Tesfaye was imprisoned for seven years during the revolution during which time he continued to compose and sing Thus his songs reflect suffering endurance and hope in the Babylons Meantime and Zions of life experience The human voice in song rooted in the flow of the *missio Dei* is perhaps the greatest testimony that may be lived out whether in a prison cell or in the larger complex world A special feature of this book is the inclusion of 104 of Tesfaye's songs Cassettes 1-7 in English translation This study is valuable as a cross cultural textbook offers rich lyrics and embodies a challenge to Christian commitment in the arts      **Culture and Customs of Ethiopia** Solomon Addis Getahun, Wudu Tafete Kassu, 2014-02-27 An ideal resource for anyone interested in learning about Ethiopia this accessible single volume work provides all encompassing and up to date coverage of the ancient and diverse cultures of Africa's second most populated nation Explore the fascinating culture of Ethiopia a highly diverse nation built on the foundations of ancient kingdoms truly a melting pot of traditions from Africa as well as other continents With increasing freedom of speech and growing access to technology Ethiopians are better able and more eager than ever to share ideas art and information not only with each other

but with the rest of the world This detailed volume offers readers informed perspectives on one of the world's oldest populations covering its long ago history as well as its evolution in the 21st century Readers will discover Ethiopia's collection of written and oral stories unique art and architecture inspired by royalty and religion delicious cuisine and many forms of music dress and dance The book's chapters also describe important changes in Ethiopia's social customs prevalent attitudes regarding women and the nation's historically oppressive political system

**Illustrated Home Book of the World's Great Nations** Thomas Powell, 1888

**Fifty Years of Research** Wolf Leslau, 1988

**Walking to Australia** David Robbins, 2018-04-26 David Robbins published his first short story at 19 and his first book 25 years later In 1986 for The 29th Parallel he was awarded South Africa's prestigious CNA Literary Award after having been shortlisted with Christopher Hope and J M Coetzee Since then he has published extensively on southern African themes becoming established as a writer of extraordinary perception in the literary travel and short fiction genres In 1995 he published the first of two travel books covering 22 countries on the African continent which enjoyed international success and in 2010 he received a Lifetime Achievement Literary Award from the South African Ministry of Arts and Culture A year before receiving this acknowledgement of his contribution to local literature he had already embarked on the major project currently under discussion Several visits to Australia had ignited his interest in the Out of Africa hypothesis of modern humanity's peopling of the world Walking to Australia has been the result of extensive travel in the countries occupying the northern shores of the Indian Ocean and of seven years of intermittent researching and writing The book describes a 21st century journey following the direction taken by anatomically modern humans who left the African nursery around 80000 years ago and reached Australia 20000 years later Along the way they laid the genetic foundations for humanity's oldest civilizations and ultimately inhabited every corner of the globe The result of these travels is not a scientific treatise Although the science is not ignored the centre lies elsewhere The author undertakes this west to east endeavor in the imagined company of his autistic grandson who serves both as confidant and as a human archetype This allows the book to verge upon a unique blend of factual travel writing and an almost magical internalised interpretation What the two travellers find together is a tangle of new experiences and responses from which the linkages between primeval past and complex

present gradually emerge Here is a work of literary travel writing that describes an enchanted journey through some of the ancient places of the world and into the currently deeply troubled heart of the human adventure The evidence encountered on the journey suggests that a fundamental universality of humanity s place in the cosmos lies beneath all regional differences and is characterised as much by humility and co operation as it is by the imperative to survive and or the will to power The book does not set out to prove a point however but to celebrate the complexity of human responses It is more a creative work than it is a dissertation with an unambiguous conclusion Nevertheless the bibliography gives an indication of some of the sources used which includes the work of historians archaeologists political scientists biographers and psychologists as well as authors writing on the various religions of the world
