Meckier,2022-11-30 Within the cycle that runs from Erewhon to Island British literary utopias compete with one another to form the most persuasive picture of what the future might or should be like At issue for Butler Wells Zamiatin Orwell and others is whether utopia be it positive or negative is essentially prediction or hypothesis Huxley contributed to this debate at roughly fifteen year intervals his three utopias becoming its key texts In addition Aldous Huxley and Utopia examines ironic cure scenes the obsession with golf in the brave new world attitudes towards death in Brave New World and Island problems with names and history in the former the role of islands in both the detrimental impact of Madame Blavatsky and young Krishnamurti on the story of Pala and the significance of a zoological conclusion of Island History of Europe from the Commencement of the French Revolution in 1789, to the Restoration of the Bourbons in 1815 Sir Archibald Alison,1844

History of Europe From the Commencement of the French Revolution In 1789, to the Restoration of the Bourbons In 1815 Archibald Alison,2025-08-09 Reprint of the original first published in 1842 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Mahabharata** ,2015-06-01 The Greatest Story Ever Told Dispute over land and kingdom may lie at the heart of this story of war between cousins the Pandavas and the Kouravas but the Mahabharata is about conflicts of dharma These conflicts are immense and various singular and commonplace Throughout the epic characters face them with no clear indications of what is right and what is wrong there are no absolute answers Thus every possible human emotion features in the Mahabharata the reason the epic continues to hold sway over our imagination In this superb and widely acclaimed translation of the complete Mahabharata Bibek Debroy takes us on a great journey with incredible ease **The White Company** Arthur Conan Doyle,2016-03-31 This early work by Arthur Conan Doyle was originally published in 1891 and we are now republishing it with a brand new introductory biography

Arthur Conan Doyle was born in Edinburgh Scotland in 1859 It was between 1876 and 1881 while studying medicine at the University of Edinburgh that he began writing short stories and his first piece was published in Chambers s Edinburgh Journal before he was 20 In 1887 Conan Doyle s first significant work A Study in Scarlet appeared in Beeton s Christmas Annual It featured the first appearance of detective Sherlock Holmes the protagonist who was to eventually make Conan Doyle s reputation A prolific writer Conan Doyle continued to produce a range of fictional works over the following years We are republishing these classic works in affordable high quality modern editions using the original text and artwork

Human Nature and Politics in Utopian and Anti-Utopian Fiction Nivedita Bagchi,2018-10-15 While the interest in anti utopias has exploded over the years issues of human nature rarely make it into the discussion of these works of literature Yet conceptions of human nature play a key role in both the utopian belief that the perfect political system can be achieved and

in the anti utopian conviction that an ideal state is neither possible nor desirable and would simply lead to a repressive state This book examines two well known utopias and two anti utopias to draw out their conceptions of human nature and show that these conceptions are directly related to their views on politics It shows that utopians emphasize that human nature is knowable predictable and therefore open to manipulation and or suppression Anti utopians on the other hand make the claim that human nature is not entirely knowable or predictable While they worry about the power of the state to manipulate human nature they also make the case that the natural recalcitrance and unpredictability of human beings would lead inevitably to a search for freedom and individuality and therefore to a clash between the state and the individual in the supposedly ideal state Ultimately therefore these anti utopians suggest a new conception of human beings as people who value the power to choose their own ends and are unable to entirely suppress their desire for freedom These two conceptions of human nature lead to two dramatically different conceptions of politics Utopians see the possibility of manipulating human nature to create an ideal political system which synthesizes all political values and issues while anti utopians reject both the possibility and desirability of an ideal political system and make the case for providing freedom of choice for all people

Prisoners of a Digital World Marcel-André Abraham,2023 In the digital age surveillance is becoming increasingly pervasive through the growing presence of big data electronic devices and wireless technologies Simultaneously a rising number of individuals is highly dependent on social media and deeply immersed in virtual spaces with visible effects on their psyche perception and ability to communicate This thesis examines popular surveillance theories discussed within the academic field of surveillance studies and attempts to integrate them into a coherent framework to analyse surveillance in the digital age and its impact on individuals The main part applies this framework to three contemporary digital dystopias which are by no means just plain and farfetched novels Already mirroring our reality to some extent they can be seen as premonitions of what could potentially happen if humankind decided to give up privacy for convenience attention seeking self presentation and the ideals of total interconnection and transparency propagated by tech companies *Minorities in the Middle East* Mordechai Nisan,2015-10-02 The struggle for independence by minorities in the Middle East those people who are non Arab or non Muslim is affecting the political climate around the world War and terrorism are threatening the safety of many minority communities and repression of minorities still remains standard state policy in some countries This updated and revised edition of the 1991 original provides a wealth of historical and political detail for all the indigenous peoples of the Middle East Pressed to persist in a threatening environment these minorities Kurds Berbers Baluchi Druzes Alawites Armenians Assyrians Maronites Sudanese Christians Jews Egyptian Copts and others share similar experiences and have been known to cooperate for shared goals Important events and new trends regarding the welfare of these groups are covered and numerous oral histories add to the new edition Instructors considering this book for use in a course may request an examination copy here **Confederate Veteran** ,1898 **Happy-People-Pills For All** Mark Walker,2013-03-01 Happy

People Pills for All explores current theories of happiness while demonstrating the need to develop advanced pharmacological agents for the enhancement of our capacity for happiness and wellbeing Presents the first detailed exploration of the enhancement of happiness A controversial yet rigorous argument that demonstrates the moral imperative for the development and mass distribution of happy pills to promote the wellbeing of the individual and society Brings together the philosophy psychology and biology of happiness Maps the development of the next generation of positive mood pharmacology Offers a corrective to contemporary accounts of happiness

Arrested Adulthood James E. Cote, 2000-07 An examination into the social influences that have prolonged youth in today's adults Why are today's adults more like adolescents in their dress and personal tastes than ever before Why do so many adults seem to drift and avoid responsibilities such as work and family As the traditional family breaks down and marriage and child rearing are delayed what makes a person an adult Many people in the industrial West are simply not growing up in the traditional sense Instead they pursue personal individual fulfillment and emerge from a vague and prolonged youth into a vague and insecure adulthood The transition to adulthood is becoming more hazardous and the destination is becoming more difficult to reach if it is reached at all Arrested Adulthood examines the variety of young people's responses to this new situation James E C t shows us adults who allow the profit driven industries of mass culture to provide the structure that is missing as their lives become more individualistic and atomized He also shows adults who resist anomie and build their world around their sense of personal connectedness to others Finally C t provides a vision of a truly progressive society in which all members can develop their potentials apart from the influence of the market In so doing he gives us a clearer vision of what it means to be an adult and makes sense of the longest but least understood period of the life course

Better Britons Nadine Attewell, 2014-01-01 Better Britons charts an innovative approach to the politics of reproduction by reading an array of works and discourses that reflect on the significance of reproductive behaviours for civic national and racial identities

The Life of the Chevalier Bayard William Gilmore Simms, 1860

We're Not Here to Entertain Kevin Mattson, 2020 Kevin Mattson offers a history of punk rock in the 1980s He documents how kids growing up in the sedate world of suburbia created their own culture through DIY tactics Punk spread across the continent in the 1980s as it found expression in different media including literature art and poetry Punks dissented against Reagan's presidency accusing the entertainer in chief of being mean and duplicitous especially when it came to nuclear war and his policies in Central America Mattson has dived deep into archives to make his case that this youthful dissent meant something more than just a style of mohawks or purple hair

Men and Events of My Time in India Sir Richard Temple, 1882

You Tremble Body Dudley C. Gould, 1999-06-01 Commissioned in the US Infantry after two years Royal Canadian Army and a year training in the US Army Air Force ending in Czechoslovakia facing Ruskies and Dud's rifle platoon is overrun on an outpost and he plays dead while the screaming Chinese Fourth Field Army trots by On the 23rd of the May Massacre clipped by a sniper much more misery

and home to brood over bloody scenes Locating a few fellow survivors inspired to put it all down YOU TREMBLE BODY

Playing Dystopia Gerald Farca, 2018-11-05 Video games permeate our everyday existence They immerse players in fascinating gameworlds and exciting experiences often inviting them in various ways to reflect on the enacted events Gerald Farca explores the genre of dystopian video games and the player's aesthetic response to their nightmarish gameworlds Players he argues will gradually come to see similarities between the virtual dystopia and their own offline environment thus learning to stay wary of social and political developments In his analysis Farca draws from a variety of research fields such as literary theory and game studies combining them into a coherent theory of aesthetic response to dystopian games
