An Imperial Affliction :

An Introduction to Literature, Criticism and Theory Andrew Bennett, Nicholas Royle, 2016-03-02 Lively original and highly readable *An Introduction to Literature Criticism and Theory* is the essential guide to literary studies Starting at The Beginning and concluding with The End chapters range from the familiar such as Character Narrative and The Author to the more unusual such as Secrets Pleasure and Ghosts Now in its fifth edition Bennett and Royle's classic textbook successfully illuminates complex ideas by engaging directly with literary works so that a reading of *Jane Eyre* opens up ways of thinking about racial difference for example while Chaucer Raymond Chandler and Monty Python are all invoked in a discussion of literature and laughter The fifth edition has been revised throughout and includes four new chapters Feelings Wounds Body and Love to incorporate exciting recent developments in literary studies In addition to further reading sections at the end of each chapter the book contains a comprehensive bibliography and a glossary of key literary terms A breath of fresh air in a field that can often seem dry and dauntingly theoretical this book will open the reader's eyes to the exhilarating possibilities of reading and studying literature

Representations of Anne Frank in American Literature Rachael McLennan, 2016-08-05 This book explores portrayals of Anne Frank in American literature where she is often invoked if problematically as a means of encouraging readers to think widely about persecution genocide and victimisation often in relation to gender ethnicity and race It shows how literary representations of Anne Frank in America over the past 50 years reflect the continued dominance of the American dramatic adaptations of Frank's *Diary* in the 1950s and argues that authors feel compelled to engage with the problematic elements of these adaptations and their iconic power At the same time though literary representations of Frank are associated with the adaptations critics often assume that these texts unquestioningly perpetuate the problems with the adaptations This is not true This book examines how American authors represent Frank in order to negotiate difficult questions relating to representation of the Holocaust in America and in order to consider gender coming of age and forms of inequality in American culture in various historical moments and of course to consider the ways Frank herself is represented in America This book argues that the most compelling representations of Frank in American literature are alert to their own limitations and may caution against making Frank a universal symbol of goodness or setting up too easy identifications with her It will be of great interest to researchers and students of Frank the Holocaust in American fiction and culture gender studies life writing young adult fiction and ethics

Novel Writing Prep Monica Leonelle, 2018-08-29 For creative fiction writers who are writing their next novel *Novel Writing Prep* by USA's bestselling author Monica Leonelle takes you step by step through planning your novel over the course of 30 days You may be wondering is it possible to write 50 000 words in 30 days without it being a crap draft Yes You can write 50 000 good words on your novel in as little as a month as long as you prepare yourself After helping thousands of authors develop the skills to hit huge word counts in a short period of time I've found one thing in common across all authors at all skill levels from those who have

never written a novel to those who publish professionally This one thing not only helps writers get their book to make sense and read well on paper but also helps them write it faster in the first place And it s simple You must know what you are going to write before you write it That s it The results Most writers can at least double their writing speed some can triple it meaning they can do twice as many words in the same time period as they were doing before Additionally these writers encounter fewer bouts of writer s block and are more likely to see their book in print down the line Novel Writing Prep takes you through a simple flexible easy to implement outlining process that will give you a skeleton of ideas for completing a marathon writing month And best of all you can go through all 30 planning prompts in just a few minutes a day over 30 days or you can complete a pizza and netflix and writing binge over a weekend Doesn t matter your skill level your writing experience or how you prefer to write a first draft For plotters pantsers newbies veterans and everyone in between let Novel Writing Prep help you plan your novel before writing it so you can write an awesome book faster Are you ready to go all in and say yes to a fun filled exciting productive adventure in writing The world needs your book Grab Novel Writing Prep today and make it happen

Remaining in Light John Taggart,1993-01-01 This is the first sustained critical examination of the work of Edward Hopper a major twentieth century American painter It is a sequence of meditations on his painting A Woman in the Sun Each meditation informed by Derrida s conception of the supplement is about both the painting and about the nature of the reading process

Digital Citizenship in Twenty-First-Century Young Adult Literature Megan L. Musgrave,2016-10-11 This book is a study of the evolving relationships between literature cyberspace and young adults in the twenty first century Megan L Musgrave explores the ways that young adult fiction is becoming a platform for a public conversation about the great benefits and terrible risks of our increasing dependence upon technology in public and private life Drawing from theories of digital citizenship and posthuman theory Digital Citizenship in Twenty First Century Young Adult Literature considers how the imaginary forms of activism depicted in literature can prompt young people to shape their identities and choices as citizens in a digital culture

Standby Joshua Langman,2022-05-18 Named an Outstanding Academic Title Theater and Dance 2023 Choice Reviews A groundbreaking philosophy of design for the stage Standby proposes a practical philosophy of contemporary theatrical design that addresses all design disciplines all theatrical collaborators and all forms of theatre from the traditional to the avant garde In a field that is too often dismissed as purely

technical Joshua Langman celebrates design as a transformative force with the power to elevate a performance and enable it to resonate beyond the bounds of its physical production Beginning with the proposition that design contributes essential layers of meaning to an experience Standby argues for a unique approach centered on the creation of revelatory theatrical moments In a mission to illuminate the soul of the craft Langman investigates the purposes of design details the elements of a production concept uncovers the mechanics of creating meaning explores the relationship of theatrical design to fine art and art history and offers practical guidance on designing productions He also considers what has changed as designers have embraced digital technology and suggests fifteen concrete methods for preserving the magic of live theatre in a digital age Blending scholarship and storytelling personal experience and contrarian wisdom Standby challenges theatre makers to harness the rich dramatic potential of theatrical design For additional information and supplemental materials please visit www.standbybook.com

Narratives, Nerdfighters, and New Media Jennifer Burek Pierce, 2020-11-15 For decades we've been warned that video killed the radio star and more recently that social media has replaced reading Nerdfighteria a first of its kind online literary community with nearly three million members challenges these assumptions It is the brainchild of brothers Hank and John Green who provide literary themed programming on their website and YouTube channel including video clips from John a best selling author most famous for his young adult book *The Fault in Our Stars* These clips not only give fans personal insights into his works and the writing process writ large they also provide unique access to the author inspiring fans to create their own fan art and make connections with one another In the twenty first century reading and watching videos are related activities that allow people to engage with authors and other readers Whether they turn to *The Fault in Our Stars* or titles by lesser known authors Nerdfighters are readers Incorporating thousands of testimonials about what they read and why Jennifer Burek Pierce not only sheds light on this particular online community she also reveals what it tells us about the changing nature of reading in the digital age In Nerdfighteria we find a community who shows us that being online doesn't mean disinterest in books
