**Theorizing Women & Leadership** Julia Storberg-Walker, Paige Haber-Curran, 2017-01-01 Theorizing Women and Leadership New Insights and Contributions from Multiple Perspectives is the fifth volume in the Women and Leadership Research Theory and Practice series This cross disciplinary series from the International Leadership Association enhances leadership knowledge and improves leadership development of women around the world The purpose of this volume is to provide a forum for women to theorize about women s leadership in multiple ways and in multiple contexts Theorizing has been viewed as a gendered activity Swedberg 2014 and this series of chapters seeks to upend that imbalance The chapters are written by women who represent multiple disciplines cultures races and subject positions The diversity extends into research paradigm and method and the chapters combine to illuminate the multiple ways of knowing about and being a woman leader Twenty first century leadership scholars acknowledge the importance of context and many are considering post heroic leadership models based on relationships rather than traits This volume contributes to this discussion by offering a diverse array of perspectives and ways of knowing about leadership and leading The purpose of the volume is to provide readers with not only interesting new ideas about women and leadership but also to highlight the diverse epistemologies that can contribute to theorizing about women leaders Some chapters represent typical social scientific practices and processes while others represent newer knowledge forms and ways of knowing The volume contributors adopt various epistemological positions ranging from objective researcher to embedded co participant The chapters link their new findings to existing empirical or conceptual work and illustrate how the findings extend amend contradict or confirm existing research The diversity of the chapters is one of the volume s strengths because it illuminates the multiple ways that leadership theory for women can be advanced Typically research based on a realist perspective is more valued in the academy This perspective has indeed generated robust information about leadership in general and women s leadership in particular However readers of this volume are offered an opportunity to explore multiple ways of knowing different ways of researching and are invited to de center researcher objectivity The authors of the chapters offer conceptual and empirical findings illuminate multiple and alternative research practices and in the end suggest future directions for quantitative qualitative and mixed methods research

[How to Write Qualitative Research](#) Marcus B. Weaver-Hightower, 2018-10-25 Qualitative research has exploded in popularity in nearly every discipline from the social sciences to health fields to business While many qualitative textbooks explain how to conduct an interview or analyze fieldnotes rarely do they give more than a few scant pages to the skill many find most difficult writing That s where How to Write Qualitative Research comes in Using clear prose helpful examples and

lists it breaks down and explains the most common writing tasks in qualitative research and each chapter suggests step by step how to approaches writers can use to tackle those tasks Topics include writing about and with qualitative data composing findings organizing chapters and sections using grammar for powerful writing revising for clarity writing conclusions methods sections and theory creating and writing about visuals writing different types of qualitative research and different document types Each chapter features real world examples from both professionals and students hands on practice activities and template sentences that show qualitative writers how to get started This text provides the perfect companion for writers of almost any skill level from undergraduates to professionals Whether you are writing a course paper a dissertation or your next book How to Write Qualitative Research will help you write clearer more effective qualitative research

Analyzing and Interpreting Qualitative Research Charles Vanover,Paul Mihas,Johnny Saldana,2021-04-14 This text provides comprehensive coverage of the key methods for analyzing interpreting and writing up qualitative research in a single volume and drawing on the expertise of major names in the field Covering all the steps in the process of analyzing interpreting and presenting findings in qualitative research the authors utilize a consistent chapter structure that provides novice and seasoned researchers with pragmatic how to strategies Each chapter introduces the method uses one of the authors own research projects as a case study of the method described shows how the specific analytic method can be used in other types of studies and concludes with questions and activities to prompt class discussion or personal study

**Writing Research Differently** Margaret Malone,2024-10-10 Community university engaged research is one of the most important innovations occurring within higher education today Yet the scholarly literature remains largely untouched by these profound shifts To better understand why and what can be done about it this book focuses its attention on the research article itself a prestigious conventionalised form of writing that helps shape what knowledge is how we know it and for what purposes This highly original book challenges the notion of the empirical research article as neutral that it just is Analysis of a range of texts from the field of engaged research reveals both the dominance of scientific genre conventions and author led strategies to modify adapt and resist them In the final chapters a re imagined research article is proposed While speculative this is an important undertaking offered as critical and practical encouragement for a form of scholarly communication in which social and cognitive justice is not just acknowledged but is present

**Doing Research in Applied Linguistics** Jim McKinley,Heath Rose,2016-12-08 Doing Research in Applied Linguistics Realities dilemmas and solutions provides insight and guidance for those undertaking research and shows the reader how to deal with the challenges of this research involving real people in real settings Featuring over twenty chapters by experienced and up and coming researchers from around the world this book outlines the steps involved in solving the problem and completing a successful and publishable project provides case studies of obstacles faced at each stage of research from preliminary planning to report writing addresses issues of validity and reliability during data collection and analysis discusses ethical issues in research dealing with

vulnerable groups including children refugees and students includes examples from longitudinal studies and both qualitative and quantitative research Doing Research in Applied Linguistics is essential reading for students studying research methods or for those embarking on their first research project in applied linguistics or language education      Social Presence and Identity in Online Learning Patrick R. Lowenthal, Vanessa P. Dennen, 2020-06-09 This book is an investigation into the role which social presence and identity play in online learning environments Scholars across disciplines have grappled with the questions of what it means for a person to be and to interact online In the context of online learning these questions reflect specific concerns related to how well people can learn in a setting limited to mediated interactions and lacking various communication cues For example how can a teacher and students come to know each other if they cannot see each other How can they effectively understand and communicate with each other if they are separated by space and in many instances time These concerns are related to social presence and identity both of which are complex multi faceted and closely interrelated constructs The chapters in this book consider how online learning has developed and changed over time in terms of technology pedagogy and familiarity Collectively these chapters show the diverse ways that educational researchers have explored social presence and identity They also highlight some of the nuanced concerns online educators might have in these areas This book was originally published as a special issue of Distance Education      **Creation and Christ** Angela Costley, 2020-11-09 The Epistle to the Hebrews is usually associated with its theology of Christ the High Priest However the term high priest is not so common in the first four chapters of Hebrews occurring only four times with a further reference to sacrifice in 1 3 Rather than emphasising the priestly or sacrificial activity of Christ these opening sections contain a number of references to creation 1 2 3 10 12 2 5 9 10 3 1 6 4 3 4 and 4 9 10 In this volume Angela Costley uses discourse analysis to explore the importance of the topic of creation to the discourse of the Epistle to the Hebrews uncovering a close link between creation and salvation She highlights the interaction of the topic of creation with the topic of salvation in the discourse to uncover a depiction of Christ as the creator who descends to take on human flesh God who becomes human in order to lead humanity heavenward
