Events, Society and Sustainability Tomas Pernecky, Michael Lück, 2013-02-15 The growth of the events industry brings with it concerns of sustainable management the sharing of available resources and ensuring that people and places are not over exploited While the environmental and economic dimensions of sustainability have attracted a reasonable attention in the study of events the social and cultural aspects of sustainability have been largely neglected This book brings together emerging critical perspectives innovative conceptual frameworks and contemporary case studies Events cannot be isolated

from the actions of humans and this is reflected in the emphasis on people and society throughout The next wave of sustainable discourse requires a critical synthesis of information and this book is the first to address the need for more critical approaches and a broader way of thinking about events and sustainability Divided into five thematic parts the contributions delve into understanding the mainstream stances towards sustainability the role events play in indigenous cultures and in diasporic communities and the extent to which events influence the public discourse and civic identity Sustainability is also examined from a strategic perspective in the events sector and consideration is given to issues such as corporate social responsibility greenwashing and the power of multi stakeholder alliances in promoting sustainability goals Written by leading academics this timely and important volume will be valuable reading for all students researchers and academics interested in Events and the global issue of Sustainability

Event Management Lynn Van der

Wagen,2010-11-11 Events Management for tourism cultural business and sporting events 4e is a holistic text designed for the Diploma in Events Management and Advanced Diploma in Events Management and is the essential text for anyone wishing to work in the field of event management The new edition covers all the skills and knowledge students need to become successful event managers Learn how to design plan market and stage an event how to manage staff and staffing problems and how to ensure the safety of everyone involved

The Routledge Handbook of Events Stephen J.

Page,Joanne Connell,2020-04-22 The Routledge Handbook of Events explores and critically evaluates the debates and controversies associated with the rapidly expanding domain of Event Studies It brings together leading specialists from a range of disciplinary backgrounds to provide a state of the art review on the evolution of the subject The first edition was a landmark study which examined how event research had evolved and developed from a range of different social science subject areas and disciplines The Handbook was the first critique of the extent to which the subject had developed into a major area of social science inquiry This second edition has been fully updated to reflect crucial developments in the field and includes brand new sections on ever important aspects of Event Studies such as anthropology hospitality seasonality knowledge management accessibility diversity and human rights as well as new studies on the eventful city and the benefits of events in older life The book is divided into four inter related sections Section 1 introduces and evaluates the concept of events Section 2 critically reviews the relationship between events and other disciplines such as the contribution of economics psychology and geography to the critical discourse of Event Studies Section 3 focuses on the business operational and strategic management of events while the final section crucially focuses on critical events as a new paradigm within the burgeoning literature on Events It offers the reader a comprehensive and critical synthesis of this field conveying the latest thinking associated with events research edited by two of the leading scholars in the field The text will provide an invaluable resource for all those with an interest in Events Studies encouraging dialogue that will span across disciplinary boundaries and other areas of study It is an essential guide for anyone interested in events research
