Peak Revision K.C.S.E. English , **Guide to Francis Imbuga's Aminata** Egara Kabaji,2003 *Eastern African Literatures* Russell West-Pavlov,2018 The book offers an overview of Eastern African writing in English since the mid twentieth century It shows how proximate modes of literary communication arising out of residual but vibrant traditions of oral communication blend with contemporary media to produce hybrid genres of proximity specific to Eastern African literary production *New Horizons in English 2* ,2003 The Postcolonial Animal Evan Mwangi,2019-09-06 Despite the central role that animals play in African writing and daily life African literature and African thinkers remain conspicuously absent from the field of animal studies The Postcolonial Animal African Literature and Posthuman Ethics demonstrates the importance of African writing to animal studies by analyzing how postcolonial African writing including folktales religion philosophy and anticolonial movements has been mobilized to call for humane treatment of nonhuman others Mwangi illustrates how African authors grapple with the possibility of an alternative to eating meat and how they present postcolonial animal consuming cultures as shifting toward an embrace of cultural and political practices that avoid the use of animals and minimize animal suffering The Postcolonial Animal analyzes texts that imagine a world where animals are not abused or used as a source of food clothing or labor and that offer instruction in how we might act responsibly and how we should relate to others both human and nonhuman in order to ensure a world free of oppression The result is an equitable world where even those who are utterly foreign to us are accorded respect and where we recognize the rights of all marginalized groups
