Anthony Ryan Blood Song:

Blood Song Anthony Ryan, 2012-11-20 The first in the powerful SFFWorld.com New York Times bestselling fantasy series Vaelin Al Sorna was only a child of ten when his father left him at the iron gate of the Sixth Order to be trained and hardened to the austere celibate and dangerous life of a warrior of the Faith. He has no family now save the Order. Vaelin's father was Battle Lord to King Janus, ruler of the Unified Realm, and Vaelin's rage at being deprived of his birthright knows no bounds. Even his cherished memories of his mother are soon challenged by what he learns within the Order. But one truth overpowers all the rest: Vaelin Al Sorna is destined for a future he has yet to comprehend. A future that will alter not only the Realm but the world.

Tower Lord Anthony Ryan, 2014-07-01 In *Blood Song*, Anthony Ryan introduced readers to a fascinating world of conflicting religions and the wars fought in the name of those faiths. Library Journal Now Ryan's epic tale continues as Vaelin Al Sorna discovers that there is no escape from the call of destiny. The blood song rose with an unexpected tune, a warm hum mingling recognition with an impression of safety. He had a sense it was welcoming him home. Vaelin Al Sorna, warrior of the Sixth Order, called Darkblade, called Hope Killer, the greatest warrior of his day and witness to the greatest defeat of his nation, King Janus's vision of a Greater Unified Realm drowned in the blood of brave men fighting for a cause Vaelin alone knows was forged from a lie. Sick at heart, he comes home determined to kill no more. Named Tower Lord of the Northern Reaches by King Janus's grateful heir, he can perhaps find peace in a colder, more remote land far from the intrigues of a troubled Realm. But those gifted with the blood song are never destined to live a quiet life. Many died in King Janus's wars, but many survived, and Vaelin is a target not just for those seeking revenge but for those who know what he can do. The Faith has been sundered, and many have no doubt who their leader should be. The new King is weak, but his sister is strong. The blood song is powerful, rich in warning and guidance in times of trouble, but is only a fraction of the power available to others who understand more of its mysteries. Something moves against the Realm, something that commands mighty forces, and Vaelin will find to his great regret that when faced with annihilation, even the most reluctant hand must eventually draw a sword.

Blood Song Anthony Ryan, 2013-04-11 A master storyteller, Mark Lawrence, "We have fought battles that left more than a hundred corpses on the ground and not a word of it has ever been set down. The Order fights, but often it fights in shadow, without glory or reward. We have no banners." Vaelin Al Sorna is the Sixth Order's newest recruit. Under their brutal training regime, he learns how to forge a blade, survive the wilds, and kill a man quickly and quietly, all in the name of protecting the Realm and the Faith. Now his skills will be put to the test. War is coming. Vaelin must draw upon the very essence of his strength and cunning if he is to survive the coming conflict. Yet as the world teeters on the edge of chaos, Vaelin will learn that the truth can cut deeper than any sword. *Blood Song* is the epic first novel in the internationally bestselling Raven's Shadow series, an enthralling tale of desperate battles, deadly politics, and epic adventure.
