

The background of the entire image is a close-up photograph of a car's engine compartment. A person's hand is visible on the left side, holding a red-handled tool, possibly a screwdriver or a small wrench, and is working on a component of the engine. The engine itself is a complex of various parts, including hoses, belts, and metal components, with some parts appearing to be covered in a dark, possibly oily, substance. The lighting is somewhat dim, focusing on the hand and the tool.
