*Copyright issues surrounding the use of services like Google Instant Preview* Andreas Papapostolou, 2013-07-26 Master s Thesis from the year 2011 in the subject Law Media Multimedia Law Copyright grade B University of Hannover Institut f r Rechtsinformatik language English abstract Search engines have raised an amount of legal issues surrounding copyright Since search engines do not own a majority of the content they show but mostly provide access to the content of third parties the most common concerns are the reproduction of copyright protected works and the making available to the public thereof Apart from the standard website search specialised search functions like Infopaq or Google Image Search have also raised some fundamental copyright questions In 2010 Google introduced a new function for its search engine named Instant Preview which also has the potential to raise certain copyright issues Besides the title of a website the URL and a snippet appearing on the search result list the new feature offers a graphic representation of a given search result in the form of a small screenshot appearing besides the results This feature is useful to quickly evaluate the search results This kind of feature is not completely new to web search engines Yahoo search used this kind of feature years ago and MelZoo com is a web search engine which inherently used this function from the beginning Also Bing offers a similar service for some time Nevertheless with Google Web search receiving several hundreds of million queries each day and a worldwide market share of 80 per cent the introduction of Instant Preview is bound to gain a lot of media attention There are some consequences of this function for website operators The process of search engine optimisation which is used to improve the rank and visibility of webpages can be affected by this website preview function Normally a user visits the first few search results given for a certain query with the assumption that the first results are the most fitting for the search topic SEO is used to improve the rank for example by adding many additional keywords to a webpage With the introduction of the website preview users can

now directly check if a webpage meets their demand Websites using an extensive optimisation could lose visitors through this service and ultimately revenues through fewer advertisements This is likely to raise resistance against this service Copyright reasons could be used to obstruct or shut down this kind of function Judging from the impact of earlier cases of copyright issues surrounding search engines this website preview function might draw legal actions This would come as no surprise as the controversial topics are diverse

Anatomy Questions And Answers Bing Blog With Links: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Anatomy Questions And Answers Bing Blog With Links : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
