Grabbe, 2007-12-25 A number of histories of Israel have been written over the past few decades yet the basic methodological questions are not always addressed how do we write such a history and how can we know anything about the history of Israel In Ancient Israel Lester L Grabbe sets out to summarize what we know through a survey of sources and how we know it by a discussion of methodology and by evaluating the evidence Grabbe's aim is not to offer a history as such but rather to collect together and analyze the materials necessary for writing such a history His approach therefore allows the reader the freedom and equips them with the essential methodological tools to use the valuable and wide ranging evidence presented in this volume to draw their own conclusions The most basic question about the history of ancient Israel how do we know what we know leads to the fundamental questions of the study What are the sources for the history of Israel and how do we evaluate them How do we make them speak to us through the fog of centuries Grabbe focuses on original sources including inscriptions papyri and archaeology He examines the problems involved in historical methodology and deals with the major issues surrounding the use of the biblical text when writing a history of this period Ancient Israel makes an original contribution to the field but also provides an enlightening overview and critique of current scholarly debate It can therefore serve as a handbook or reference point for those wanting a catalog of original sources scholarship and secondary studies Its

user friendly structure and Grabbe's clarity of style make this book eminently accessible not only to students of biblical studies and ancient history but also to the interested lay reader      *Sifra, Dibbura de Sinai* Howard L. Apothaker, 2003-07-16

Sifra is the earliest extant rabbinic commentary on the book of Leviticus On a basic level Sifra presents and validates rabbinic law but this was done by creating a link between a proposition halakhic or not and a scriptural passage Scholars in the last few decades including Neusner and Stemberger have debated Sifra's relationship to Mishnah Tosefta Howard Apothaker demonstrates that the set of rules in Dibbura deSinai on topics shared with Mishnah Tosefta can be understood as an independent body of law They share a common ancestor but represent different expressions of a similar worldview and with variant purposes The framers of Sifra sought as their main objective to validate the essentiality or non superfluity of every word of Scripture Apothaker's analysis of the exegetical and rhetorical characteristics of Sifra in *Sifra Dibbura deSinai Rhetorical Formulae Literary Structures and Legal Traditions* builds on his translation of and commentary on the section of Dibbura deSinai which covers Leviticus 25-27 Analysis of Sifra's highly formalized rhetoric yields insight concerning the general purpose(s) for which the framers created the work      *A Day in a Working Life* Gary Westfahl, 2015-04-21

Ideal for high school and college students studying history through the everyday lives of men and women this book offers intriguing information about the jobs that people have held from ancient times to the 21st century This unique book provides detailed studies of more than 300 occupations as they were practiced in 21 historical time periods ranging from prehistory to the present day Each profession is examined in a compelling essay that is specifically written to inform readers about career choices in different times and cultures and is accompanied by a bibliography of additional sources of information sidebars that relate historical issues to present day concerns as well as related historical documents Readers of this work will learn what each profession entailed or entails on a daily basis how one gained entry to the vocation training methods and typical compensation levels for the job The book provides sufficient specific detail to convey a comprehensive understanding of the experiences benefits and downsides of a given profession Selected accompanying documents further bring history to life by offering honest testimonies from people who actually worked in these occupations or interacted with those in that field

Tooman,2022-11-18 The Torah Unabridged is a detailed examination of legal reasoning in the Hebrew Bible Focusing on the exegetical operations by which biblical laws related to intermarriage were applied to circumstances and persons that lie outside the sphere of their explicit content this book reconstructs the ways in which laws regarding intermarriage evolved were interpreted and were applied across time and place William A Tooman argues that the exegetical impulse to expand upon the gaps left by laws relating to marriage in the Torah is expressed in several distinctive ways in later texts in the Hebrew Bible Adopting a diachronic approach Tooman examines the techniques biblical writers used in their appropriation expansion and manipulation of legal ideas within earlier biblical texts in order to apply the laws to more situations circumstances and people Tooman s analysis reveals that from Exodus to Ezra Nehemiah legal reasoning on intermarriage moved in a singular direction toward an ever greater restriction of marriage between Israelites Jews and gentiles The final chapter sums up the ways that this was accomplished summarizing the logical and exegetical operations executed in the process of expanding the relevance of these laws and describing the hermeneutical assumptions that motivated the process Grounded in a detailed philological analysis of the Hebrew texts this tightly argued monograph is an important impetus to further debate in the field It will be welcomed by biblical scholars and by specialists in the history of law **The Christian Review** ,1859 *The Bible Says So* Dan McClellan,2025-04-29 Bible scholar and popular TikToker Dan McClellan confronts misconceptions about the Bible The Bible is the world s most influential book but do we really know what it says Every day across social media and in homes businesses and public spaces people try to cut debate short by claiming that the Bible says so However they commonly disagree about what it actually does and doesn t say particularly when it comes to socially significant issues For instance does the Bible say we should be on the lookout for an antichrist associated with the number 666 Does it say women shouldn t wear revealing clothing Does it say it s okay to hit your kids In The Bible Say So Dan McClellan leverages his popular data over dogma approach and his years of experience in the academy and on social media to lay out in clear and accessible ways what the data indicate the Bible does and doesn t say about issues ranging from homosexuality abortion and slavery to monotheism inspiration and even God s wife Smart accessible and informative The Bible Says So is an invaluable resource for our fractious times **Farmers' Guide** ,1898 *The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces* ,1877 The Saturday Review of Politics, Literature, Science and Art ,1887 *The Rotarian* ,1957-01 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut
