**Angel Eyes** Shannon Dittemore,2012-05-28 Once you've seen you can't unsee Brielle went to the city to chase her dreams and found tragedy instead She's come home to shabby little Stratus Oregon to live with her grief and her guilt and an incredible numbing cold she can't seem to shake Jake's the new guy at school The boy next door with burning hands and an unbelievable gift that targets him for corruption Something more than fate has brought them together An evil bigger than both of them lurks in the shadows nearby hiding in plain sight Two angels stand guard unsure what's going to happen And a beauty brighter than either Brielle or Jake has ever seen is calling them to join the battle in a realm where all human choices begin A realm that only angels and demons and Brielle can perceive Broken Wings Shannon Dittemore,2013-02-18 Giant angels with metal wings and visible song A blind demon restored from the pit of darkness And a girl who has never felt more broken Brielle sees the world as it really is a place where the Celestial exists side by side with human reality But in the aftermath of a supernatural showdown her life begins to crumble Her boyfriend Jake is keeping something from her something important Her overprotective father has started drinking again And he's dating a much younger woman who makes Brielle's skin crawl Haunting nightmares invade Brielle's sleep and flashes of Celestial vision keep her off kilter What she doesn't know is that she's been targeted The Prince of Darkness himself has heard of the boy with healing in his hands and of the girl who sees through the Terrestrial Veil Brielle has no choice She knows evil forces are converging and will soon rain their terror down on the town of Stratus She must master the weapons she's been given She must fight But can she fly with broken wings *Cloak of the Light* Chuck Black,2014-03-18 Drew is caught in a world of light just inches away from the dark What if there was a world beyond our vision a world just fingertips beyond our reach What if our world wasn't beyond their influence Tragedy and heartache seem to be waiting for Drew Carter at every turn but college offers Drew a chance to start over until an accident during a physics experiment leaves him blind and his genius friend Benjamin Berg missing As his sight miraculously returns Drew discovers that the accident has heightened his neuron activity giving him skills and sight beyond the normal man When he begins to observe fierce invaders that no one else can see he questions his own sanity and so do others But is he insane or do the invaders truly exist With help from Sydney Carlyle a mysterious and elusive girl who offers encouragement through her faith Drew searches for his missing friend Ben who seems to hold the key to unlocking this mystery As the dark invaders close in will he find the truth in time *Dark Halo* Shannon Dittemore,2013-08-27 One halo brought sight to Brielle Another offers sweet relief from what she sees Brielle can't help but see the Celestial Even without the halo the invisible realm is everywhere she looks It's impossibly beautiful and terrifying especially now Because a battle rages above Stratus Oregon The Terrestrial Veil is ripping and demons walk the streets past unseeing mortals Dark sticky fear drips from every face and nightmares haunt Brielle's sleep Worst of all Jake is gone The only boy she's ever loved has been taken by the demon Damien When she receives instructions from the Throne Room

leading her to Jake she unknowingly walks into a diabolical and heartbreaking trap Now she s stranded in a sulfurous desert with the Prince of Darkness himself and he s offering her another halo a mirrored ring that will destroy her Celestial vision All she has to do is wear it and she ll see no more of the invisible world No more fear No more nightmares No more demons It s a gift And best of all it comes with the promise of a future with Jake something the Throne Room seems to be taking from her Will Brielle trade the beauty of the Celestial and the truth of the world around her just to feel ordinary again Angel Eyes Shannon Dittmore,2023-11-07 Once you ve seen you can t unsee Everything changes when you ve looked at the world through ANGEL EYES Brielle s a ballerina who went to the city to chase her dreams and found tragedy instead She s come home to shabby little Stratus Oregon to live with her grief and her guilt and the incredible numbing cold she can t seem to shake Jake s the new guy at school The boy next door with burning hands and an unbelievable gift that targets him for corruption Something more than fate has brought them together An evil bigger than both of them lurks in the shadows nearby hiding in plain sight Two angels stand guard unsure what s going to happen And a beauty brighter than either Jake or Brielle has ever seen is calling them to join the battle in a realm where all human choices start A realm that only angels and demons and Brielle can perceive
