When she was a child people wondered why Lorna Byrne didn't seem present in the world around her. They never knew she was seeing angels. In her own words, Lorna tells the story of her life and the remarkable visions that have shaped it. Through her eyes, the reader meets creatures from the spirit worlds who in our own world watch over us and protect us, including angels of an astonishing beauty and variety, the prophet Elijah, an Archangel, and even the spirits of people who have died. Many of us have often felt like a guardian angel must be watching over us, but Lorna Byrne has seen them with her own eyes. This extraordinary document is the personal testimony of a woman who sees things that nobody else does. Lorna has looked past the range of our everyday experience, and this incredible book is our window to a world beyond. Here's what *Angels in My Hair* has meant to Lorna's readers: A wonderful book full of hope, love, positive energy, and many happy thoughts. Enlightening and inspiring. An absolutely brilliant book full of joy and inspiration. Convincing and sincere. She tells her story so simply, so truthfully. It feels like a conversation between friends.

Please note: This is a summary, not the original book. *Angels in My Hair* is the autobiographical account of Lorna Byrne, who has had the extraordinary ability to see and communicate with angels since childhood. Lorna grew up in a poor family in Dublin, Ireland, where she faced challenges due to her unique experiences, often misunderstood by those around her. Despite her difficulties, Lorna found solace and guidance in her angelic encounters, particularly with angels like Michael Hosus and her spirit brother, Christopher. **Angels at My Fingertips: The sequel to Angels in My Hair** Lorna Byrne, 2017-04-06 A complete account of how and why people look to angels. *Angels at My Fingertips* takes us back to the territory that made *Angels in My Hair* a million-copy-selling international bestseller. Stories of Lorna's early life in rural Ireland, of how angels helped and guided her through traumatic events, lead to a detailed description of what angels are like, the different types of angels, how they behave and interact with God and other angels, as well as human beings, and their role during our lives and after death. *Angels at My Fingertips* also contains an account of how Joe, her husband who died young in *Angels in My Hair*, returns to visit her. For the first time, Lorna reveals the role of the souls of our loved ones who may return from heaven briefly to help and guide us. Information as detailed as this has never been
