Learning Challenge Lessons, Secondary English Language Arts Jill Nottingham, James Nottingham, Mark Bollom, Joanne Nugent, Lorna Pringle, 2019-03-11 Practical strategies for bringing The Learning Challenge to life in your secondary ELA classroom. The Learning Challenge has captured the imaginations of educators, students, and their parents by introducing the idea of Learning Pit, a state of cognitive conflict that causes students to think more deeply, critically, and strategically until they discover their eureka moment. Now fans of The Learning Challenge who want practical examples and ready-to-use lessons for their secondary ELA classrooms need not look any further. This book provides teachers with everything they need to run thoughtful, dialogue-driven challenges so that students engage more deeply with the classics and develop literary skills critical to ELA standards. Students will analyze texts in lessons grounded in cognitive conflicts such as "We are all responsible for our own actions, and yet we sometimes act because we are following orders or instructions from others." Lesson 1: Who was responsible for the death of William in Mary Shelley's *Frankenstein*? To be successful, you cannot fail, but most successful people have experienced many failures along the way. Lesson 7: Was Jay Gatsby a success? Love is impossible to define, and yet everyone knows what love is. Lesson 11: Is Romeo really in love? From detailed lesson plans and activities for running Learning Challenges in the classroom to full-color activity cards that enhance each lesson, this must-have resource offers relevant and timely instructional strategies on topics that interest and engage secondary students.

What Really Works With Universal Design for Learning Wendy W. Murawski, Kathy Lynn Scott, 2019-03-07 Learn how to REALLY improve outcomes for all students. How do we remove learning barriers and provide all students with the opportunity to succeed? Written for both general and special educators from grades Pre-K through 12, *What Really Works with Universal Design for Learning* is the how-to guide for implementing aspects of Universal Design Learning (UDL) to help every student be successful. UDL is the design and delivery of curriculum and instruction to meet the needs of all learners by providing them with choices for what and why they are learning and how they will share what they have learned. Calling on a wide range of expert educators, this resource features an unprecedented

breadth of UDL topics including multiple content areas pedagogical issues and other critical topics like executive function PBIS and EBD Reproducible research based field tested tools Practical strategies that are low cost time efficient and easy to implement Practices for developing shared leadership and for working with families Educators want to see each and every student succeed This teacher friendly hands on resource shows how UDL can be used to build the flexibility required to meet students strengths and needs without overwhelming teachers in the process
