Reading Donald Trump Jeremy Kowalski,2018-08-29 This book provides a scholarly assessment and analysis of the Trump campaign and early presidency This assessment and analysis is important not only to help provide some coherence to the turbulent and unpredictable character of Trumpism but to contribute to establishing a scholarly foundation for future works that will provide assessments of the Trump presidency in its mid and later stages Given the divisive and destructive capacity of Trumpism and its political and social implications both domestically and internationally understanding the distinctive political phenomenon of Trumpism is necessary if resistance to this transformative moment in American political history is to be successful This book collects a series of short scholarly contributions on various themes related to Trumpism by scholars from disciplines in both the Humanities and Social Sciences 

The Future of Lenin Alla Ivanchikova, Robert R.

Maclean, 2022-07-01 Situated in a particular historical moment marked by the violent crises of capitalism the rise of the alt right the COVID 19 pandemic and the Black Lives Matter movement The Future of Lenin collects essays by an international cohort of scholars to assert Lenin s relevance for twenty first century politics and thought Taking different and sometimes

opposing vantage points on Lenin's value for the future the contributions to this volume reveal an unexpected Lenin one who escapes the stale Cold War era discourse of demonization and hagiography Instead the future oriented Lenin in these pages comes to life as our contemporary an interlocutor who is surprisingly relevant for Black and anticolonial struggles in the US and beyond for building the new Left and for assessing Bernie Sanders movement as well as alt right anti statism In short Lenin's concrete development of Marxism for his historical conditions may yet offer lessons for revolutionaries to come Great Disorder Richard Slotkin, 2024-03-05 The culture wars are pitting us against each other with a vitriol that is fueling outright violence Slotkin looks to the foundational myths that have shaped American identity the Frontier the Founding the Civil War Emancipation and the Lost Cause and the Good War and reveals why they are bringing the US to the brink of an Donald Trump, Robert Mueller, Christopher Steele Diane Holloway Cheney, Ph.D., 2021-09-13 This thrilling page turner describes the lives of the most controversial men of our era and how they impacted each other We now realize that the greatest threat to our country can come from within as well as those not in our own country Can an administration ignore laws and attack democratic institutions without damaging democracy These shocking revelations are not without some humor to brighten what are otherwise dark and scary truths **The 21st Century Cold War** Jeffrey Kaplan, 2020-06-04 The 21st Century Cold War is a multidisciplinary approach to understanding the pattern of Russian interference in the internal affairs of other nations suggesting that what in the Cold War was a simple conflict of East vs West has expanded into a conflict between Russia and two increasingly separate Wests The book begins with an examination of the structure of the Cold War and post Cold War world and subsequently explores Russian interference by overt grey and covert means including but not limited to cyberespionage fake news and the use of what in the Cold War would have been called front groups and agents of influence The approach encompasses both historic and contemporary themes with the guestion of whether the Cold War between East and West capitalism and communism is a thing of the past or does it continue today in new ideological guises as a central theme Expert contributors explore what the motivations and implications for the pattern of Russian interference in the political processes of other states would be and what new coalitions of actors are taking shape both for and against Russian activities With a series of historical and contemporary case studies focusing on the origins and contemporary dimensions of Russian information warfare and exploring the issues involved from every perspective The 21st Century Cold War will be of great interest to scholars of Security and Strategic Studies International Relations and Cold War History as well as policy makers and security professionals The chapters were originally published as a special issue of Terrorism and Political Violence Furious Minds Laura K. Field, 2025-11-04 The story of the radical conservative intellectual movement shaping Donald Trump's agenda and how it threatens American freedoms values and democracy Donald Trump is not a big thinker but his 2016 presidential victory presented a grand opportunity for people who are and it set off a radicalization and reconfiguration of the American conservative intellectual world In Furious Minds Laura Field who

spent close to a decade in conservative academic circles chronicles the rise of the New Right the network of academics public intellectuals and influencers who provide ideological fuel to Trumpism This movement includes figures such as Patrick Deneen Christopher Rufo Peter Thiel and JD Vance Their agenda is built to last and it has dire long term implications for liberal democracy The New Right has precedents in American history but it is distinct for its youthfulness misogyny and extraordinary successes most notably the elevation of Vance to the vice presidency. The movement which draws together associates of the right wing Claremont Institute National Conservatives Postliberals and the Hard Right advocates nationalist economics tight borders isolationism and reactionary social values It helped to strategize January 6th and created Project 2025 But above all the New Right is engaged in a vast culture war against modern liberal pluralism It is determined to harness state power and use it in new illiberal ways from college campuses to the international scene all driven by the fantasy of restoring a pure America Incisive and urgent Furious Minds tells the story of the thinkers of the New Right and their powerful assault on American freedoms values and ideals **Loneliness** Arbuckle, Gerald, A., 2018-10-18 New Authoritarianism Alan Waring, 2018-11-21 This two volume book considers from a risk perspective the current phenomenon of the new Alt Right authoritarianism and whether it represents real democracy or an unacceptable hegemony potentially resulting in elected dictatorships and abuses as well as dysfunctional government Contributing authors represent an eclectic range of disciplines including cognitive organizational and political psychology sociology history political science international relations linguistics and discourse analysis and risk analysis The Alt Right threats and risk exposures whether to democracy human rights law and order social welfare racial harmony the economy national security the environment and international relations are identified and analysed across a number of selected countries While Vol 1 focusses on the US Vol 2 ISBN 978 3 8382 1263 0 illuminates the phenomenon in the UK Austria France Germany Netherlands Norway Italy Hungary and Russia Potential strategies to limit the Alt Right threat are proposed **Standoff** Bill Schneider, 2018-05-15 Bill Schneider former CNN senior political analyst takes us inside the voting booth in a detailed examination of recent presidential elections studded with sharp observations A good choice for political junkies Kirkus Reviews In the 1960s a rift developed between the Old America and the New America that resulted in a populist backlash that ultimately elected Donald Trump in 2016 Bill Schneider describes today s American populism in Standoff as one that is economically progressive and culturally conservative Liberals are attacked as cultural elitists limousine liberals and conservatives as economic elitists country club conservatives Trump says Schneider is the complete populist package He embraces social populism anti immigrant economic populism anti free trade and isolationism America First Standoff examines a number of hard fought elections to show us how we got to Trump He asserts the power of public opinion He points to the public that draws the line on abortion and affirmative action He shows why an intense minority cancels a majority on gun control immigration small government and international interests Standoff tells us why fifty years of presidential contests have often been confounding

It takes us inside to watch how and why Americans pull the lever how they choose their issues and select their leaders It is usually values that trump economics Required reading for an understanding of the 2016 election and the political future Schneider's fast paced Publishers Weekly Standoff shows how Americans vote and why their votes sometimes seem to make no practical sense
