Strategic FUEL for Nonprofits Charles Moore, 2024-09-27 Most nonprofits approach strategic planning in ways that take too much time and effort focus on the wrong issues and set up the plan to be something that gathers dust on a shelf rather than being implemented If you want a different approach this is the book for you This book shows nonprofit leaders and organizations how to conduct strategic planning processes that deliver both a great strategy and an organization that can drive strategic change and continually refresh its strategy It introduces a new framework Strategic FUEL and shows leaders how to map their organization's strategic situation to a planning approach that addresses the most important opportunities and challenges without wasting time and effort It also shows the actions leaders can take during strategic planning to increase the odds of successful strategy implementation The core content of this book was developed while working with nonprofit leaders on strategic planning so it converts the best research and ideas to practice and step by step guidance This book will be a valuable resource for nonprofit CEOs and their teams foundations looking to support their nonprofit grantees and students in nonprofit management courses and programs While the book is focused on the nonprofit world the lessons are also applicable to any leader trying to drive strategy effectively

The Invention of Design Maggie Gram, 2025-06-03 From a brilliant cultural historian a secret history of the twentieth century Louis Menand told through the story of design and its utopian promises Design has penetrated every dimension of contemporary society from classrooms to statehouses to corporate boardrooms It's seen as a kind of mega power one that can solve all our problems and elevate our experiences to make a more beautiful more functional world But there's a backstory here In *The Invention of Design* designer and historian Maggie Gram investigates how over the twentieth century our economic hopes fears and fantasies shaped the idea of design then repeatedly redefined it Nearly a century ago resistance to New Deal era government intervention helped transform design from an idea about aesthetics into one about function And at century's end the dot com crash brought us design thinking the idea that design methodology can solve any problem small or large To this day design captures imaginations as a tool for fixing market society's broken parts from within supposedly enabling us to thrive within capitalism's sometimes violent constraints A captivating critical history *The Invention of Design* shows how design became the hero of many of our most hopeful stories dreams fantasies utopias about how we might better live in a modern world

Somaesthetics and Design Culture, 2023-04-03 Design permeates every dimension of our lifeworld from the products we consume and the built environments in which we live to the adorned and stylized beings that we are and the natural preserves where we seek relief from the stressful bustle of urban life Design is where contrasting values of functionality and aesthetic pleasure converge At the core of design is the human soma an active perceptive subjectivity that creates and

evaluates design but is also its cultivated product This collection of ten essays explores the somaesthetics of design in multiple fields from ritual craft and healthcare to architecture urbanism and the new media of extended realities The Aesthetics of Nostalgia TV Alex Bevan,2019-02-07 The Aesthetics of Nostalgia TV explores the aesthetic politics of nostalgia for 1950s and 60s America on contemporary television Specifically it looks at how nostalgic TV production design shapes and is shaped by larger historical discourses on gender and technological change and America s perceived decline as a global power Alex Bevan argues that the aesthetics of nostalgic TV tell stories of their own about historical decline and progress and the place of the baby boomer television suburb in American national memory She contests theories on nostalgia that see it as stagnating regressive or a reversion to outdated gender and racial politics and the technophobic longing for a bygone era and instead argues nostalgia is an important form of historical memory and vehicle for negotiating periods of historical transition The book addresses how and why the shows construct the boomer era as a placeholder for gender racial technological and declensionist discourses of the present The book uses Mad Men AMC 2007 2015 Ugly Betty ABC 2006 2010 Desperate Housewives ABC 2004 2012 and film remakes of 1950s and 60s family sitcoms as primary case studies
