Crucial Truths for Crucial Days H. T. Spence, 2003 **Beware of False Religions & Pagan Traditions Part 3**

Helene Fulton, 2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God's truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into their every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces *Angels with Attitude* Bev Lakomek, 2015-12-09 Angels with Attitude speaks of where we live on a daily basis in our thoughts and attitudes We are God's angels not only to ourselves but to the world We carry within us the message of love This loving message can be blocked by thoughts and attitudes that come from our egos and fears The inspirational writings contained in this book are meant to bring its reader to a crossroads a point of contemplation and decision Each day we make such choices that either bring us to love peace and joy or leave us in fear If we

are to be the angels of God His messengers we are meant to live in the love of God **Divine Audacity** Linda Martella-Whitsette, 2015-02-01 Experience Oneness with the Divine and Light Up the World On the publication of her first book Larry Dossey MD author of Prayer Is Good Medicine wrote Martella Whitsett is a wise guide Her new book makes the audacious claim that each of us can be the light of the world Jesus instructed his followers to be Martella Whitsett offers a path for living a deep and authentic life outside of the strictures of traditional religious categories A refreshing approach in essence on how to be spiritual without being religious We need to jettison the idea of a God who is out there and above us God is not a super human who gives and takes punishes and rewards God does not require human suffering and repentance We truly find God when we go inside to connect with divine light realize our oneness with God and others and let our light shine in the world Martella Whittset looks at what divine light is and how it is both audacious and normal to claim it for ourselves Next she introduces us to 12 spiritual powers we can all develop and learn to use on a daily basis faith understanding will imagination zeal power love wisdom strength order release and life itself When we consciously shine our spiritual powers on ourselves not only are our lives improved but all of humanity can be enriched and transformed Let your light shine LIVING BEYOND THE VEIL Marcia Sandels, 2013-05-21 Living Beyond the Veil is an introduction to the subject of mystical experiences from the perspective of a woman who has lived with them for 40 years and researched them in order to understand what was happening to her By no means a comprehensive book Marcia had felt compelled to write a book sharing her experiences along with her search for understanding and meaning for several years earlier this year she realized that her experiences and research could be beneficial to others This book is an abbreviated version of her personal journey her search and the revelations she has received while walking through this lifetime possibly an accumulation of information gathered by her soul through more than one lifetime Enjoy the journey *How to Pray Without Talking to God* Linda Martella-Whitsette, 2011-10-01 Unity minister Linda Martella Whitsett provides a new framework for thinking about prayer that will revolutionize the lives of readers everywhere The good news here is that you can pray without believing in God that you can have a rich and fulfilling spiritual practice without adhering to a set of creeds or dogmas Martella Whitsett encourages seekers to look within rather than outside themselves for a God in the sky for the spark of the divine that is at the core of their being How to Pray Without Talking to God shows how to develop a true spiritual practice by re forming the words of traditional prayers cultivating a habit of daily prayer and meditation learning how to pray with others How To Pray Without Talking To God is filled with the author s stories of her own evolving understanding of God Each chapter includes a section called Talk to Yourself that poses questions for readers to write about or share in a study circle *Making Sense of Spiritual Warfare* Eddie Smith, 2008-08 An easy to understand and sensible guide to spiritual warfare what it is who is involved the weapons involved and how to prevail **The Miracle Before Your Eyes** Patrick K.
