The first of these is the fact that the system is not a simple one. It is a complex system, and the complexity is not only in the system itself, but also in the way it is used. The system is designed to be used by a large number of people, and the way it is used can vary greatly from one person to another. True Gentlemen John Hechinger, 2017-09-26 An exclusive look inside the power and politics of college fraternities in America as they struggle to survive despite growing waves of criticism and outrage College fraternity culture has never been more embattled Once a mainstay of campus life fraternities are now subject to withering criticism for reinforcing white male privilege and undermining the lasting social and economic value of a college education No fraternity embodies this problem more than Sigma Alpha Epsilon a national organization with more than 15 000 undergraduate brothers spread over 230 chapters nationwide While SAE enrollment is still strong it has been pilloried for what John Hechinger calls the unholy trinity of fraternity life racism deadly drinking and misogyny Hazing rituals have killed ten undergraduates in its chapters since 2005 and in 2015 a video of a racist chant breaking out among its Oklahoma University members went viral That same year SAE was singled out by a documentary on campus rape *The Hunting Ground* Yet despite these problems and others SAE remains a large institution with strong ties to Wall Street and significant political reach In *True Gentlemen* Hechinger embarks on a deep investigation of SAE and fraternity culture generally exposing the vast gulf between its founding ideals and the realities of its impact on colleges and the world at large He shows how national fraternities are reacting to a slowly dawning new

reality and asks what the rest of us should do about it Should we ban them outright or will they only be driven underground
Can an institution this broken be saved With rare access and skillful storytelling Hechinger draws a fascinating and
necessary portrait of an institution in deep need of reform and makes a case for how it can happen Chester County 1882
