Drawn deliberately over the completed but previously unpublished report, the response to this questionnaire (8 pages of text responses) along with each of the conceptual models, is available in MS Word and PDF format under website "Materials of Tony Hume Research & Consulting".

Introduction

- Name of the proposed business
- Name of the founder (or founders)
- One-paragraph summary of the business

Part 1: Product/Service Placement

Market Assessment in This Part

- Production/ies described
- Production/ies desired

Assessment Tools

Concept Statement Test

- Write a concept statement for your production/ies (also study the concept statement on Tony's people, below; people who will give you informal and useful feedback).
- Attach a sheet about to the concept statement and ask the people who read the statement to circle any three things they like about your production/ies (1); provide three suggestions for making it better. (It's not your intention they think the product or service idea is feasible, but not to "convince" and it's about any additional comments or suggestions).
- Summarize the information you obtain from the concept statement into the following three paragraphs:
 - Strengths of the product or service idea – things people who considered your product or service concept said they "liked" about the idea
 - Suggestions for strengthening the idea – suggestions made by people that suggest doing or improving the idea
 - Overall feasibility of the product or service concept – report the feedback of people who think the idea is feasible, the number of people who think it isn't feasible, and any additional comments they were made.
- Other comments and suggestions
