

The book cover features a collage of images related to electrical engineering and electronics. At the top left, there's a close-up of a complex circuit board with various components and wires. To its right, a space shuttle is shown in flight. Below the shuttle, a large high-voltage electrical transmission tower stands against a blue sky. In the bottom left corner, a computer monitor displays a technical interface, with a keyboard in front of it. The entire collage is set against a dark blue background, with a large, light-colored, curved shape overlaid on the left side, containing the title and author's name.
