[The Sounds of Our Offerings](#) Charlotte Kroeker, 2011-10-24 The Sounds of Our Offerings is good news about the music of the church It recounts what has been learned from studying nine congregations where music promotes the full active conscious participation of the worshipers and where it has done so consistently and coherently for many years Pastors and musicians reflect on their work together and offer rich insights about what works and what does not Lay musicians and members of the congregation also share their experiences with music in worship Though no site was without its struggles and at times difficult choices had to be made for the most part we see unremarkable week to week year to year faithful rendering of music for prayer and praise We see that sometimes the nature of the music took a slightly different turn one that built upon the foundations of the past The music choices in these churches are not restricted to one particular era or style but rather reflect the broader church's music repertoire including the best recently written music These are the stories of churches with a reputation for their fine music programs churches that with their leaders and congregations have worked out these programs in consistent coherent ways In most cases the programs span multiple priests pastors and musicians The Sounds of Our Offerings is about excellent music and how it has found its way into the life and faith practices of these congregations

Wonderful Words of Life Richard J. Mouw, Mark A. Noll, 2004-03-02 While many evangelical congregations have moved away from hymns and hymnals these were once central fixtures in the evangelical tradition This

[A Companion to the New Harp of Columbia](#) Marion J. Hatchett, 2003 The shape note tradition first flourished in the small towns and rural areas of early America Church sponsored singing schools taught a form of musical notation in which the notes were assigned different shapes to indicate variations in pitch this method worked well with congregants who had little knowledge of standard musical notation Today many enthusiasts carry on the shape note tradition and The New Harp of Columbia recently published in a restored edition by the University of Tennessee Press is one of five shape note singing manuals still in use Jacket

your life *Touching the Altar* Carol M. Bechtel, 2008-01-14 What does it mean to be in the presence of God's holiness? How can it affect us whether we seek it out or stumble upon it? Can it truly change our very reality to encounter it? The essayists in this volume explore these questions at the heart of Christian worship considering the oft-neglected Old Testament as essential to understand our purpose in worship. Following the structure of the Hebrew canon beginning with the Pentateuch moving through to the Psalms then wisdom literature each chapter considers a separate aspect of worship from theater to the Sabbath to sacred space offering new inspiration. In the final essay Carol Bechtel rereads the book of Job through the lens of our human limitations as opposed to the usual theme of theodicy with compelling applications for both life and worship. Each of these essays concludes with two appropriately themed hymns and a For Further Reading list. Five of the seven contain sidebars that illustrate and enrich key points. Evocative woodcut artwork by Margaret Adams Parker provides a striking backdrop to the text. Taken together these essays testify powerfully to the belief that the Old Testament is not only valuable but also essential to whole and fully foundational preaching and worship. Written primarily by Old Testament professors *Touching the Altar* will make an engaging supplemental text for introductory or elective Old Testament courses and will also go far toward providing deeper worship for any Christian. Contributors: Carol M. Bechtel, Thomas A. Boogaart, Corrine L. Carvalho, Ellen F. Davis, J. Clinton McCann Jr., Dennis T. Olson, Margaret Adams Parker, John D. Witvliet. *A Faraway Ancient Country* Emissary, 2007-08-07 What happens when a Protestant Fundamentalist becomes a Roman Catholic? Share one woman's journey into the land of mystics and scholars and learn Catholicism from a Biblical perspective using the King James 1611 Bible. Employing humanity, humor, and wit this marriage of creative and analytical writing is also the fruition of four years of research, 80 sources, 190 Biblical passages, and the efforts of three theologians each with a Master's Degree in Divinity. Readers experience Catholicism through songs, prayers, poetry, and descriptions of celebrations as well as face the bigotry and malice often directed at Catholics. *A Faraway Ancient Country* offers an intimate look at faith and challenges spiritual growth. **A Retreat with the Psalms** John C. Endres, Elizabeth Liebert, 2001 A handbook on the psalms that brings together biblical research and a variety of prayer exercises tailored to different kinds of psalms. Readily adapts for personal and group prayer study and retreat. Simple Gifts Bill Henderson, 2008-10-14 In a world of internet friendships, far-flung families, and a growing sense of alienation in American life, Bill Henderson tells the story of how he found community and joyful camaraderie through the singing of old-fashioned hymns in a small wood-frame country church. **Encounters with the Holy** Barbara Day Miller, 2010-06-14 Many churches have active worship committees or planning teams, and an abundance of books and resources guide pastors and laity. *Encounters with the Holy* offers a conversational model of worship planning that was developed to train practitioners to be more reflective in their planning of worship experiences. The model planning, ordering, worshiping, reflecting is a flexible, fluid pattern. It provides a more circular, spiraling practice of imaginative planning, preparing the leaders and the space, and reflecting theologically to understand more fully the experience of worship.

It has been tested in congregations seminaries and campus ministries amid a wide range of denominational and cultural styles An underlying theological assumption of this approach is that we are engaged in holy work when we plan and prepare for worship Leaders study preparation and training are themselves an encounter with the Holy Therefore we are called to become more informed and better prepared liturgical leaders The language and encouraging style of the book is accessible to student pastors pastors and lay people interested in learning to think more deeply about worship
