Genealogy At The Clan Donald University Of Prince Edward:

The MacLeods -- the Genealogy of a Clan Donald MacKinnon, Alick Morrison, 1969 **The clan Donald, by Angus and Archibald Macdonald** Angus John N. Macdonald, 1904 **The Clan Donald** Angus Macdonald, Archibald Macdonald, 1896 *Acadiensis*, 2000 *Biographical Dictionary of Scottish Women* Elizabeth L. Ewan, Sue Innes, Sian Reynolds, Rose Pipes, 2007-06-27 This single volume dictionary presents the lives of individual Scottish women from earliest times to the present Drawing on news scholarship and a wide network of professional and amateur historians it throws light on the experience of women from every class and category in Scotland and among the worldwide Scottish diaspora The Biographical Dictionary of Scottish Women is written for the general reading public and for students of Scottish history and society It is scholarly in its approach to evidence and engaging in the manner of its presentation Each entry makes sense of its subject in narrative terms telling a story rather than simply offering information The book is as enjoyable to read as it is easy and valuable to consult It is a unique and important contribution to the history of women and Scotland The publisher acknowledges support from the Scottish Arts Council and the Scottish Executive Equalities Unit towards the publication of this title

The MacLeods -- the Genealogy of a Clan: The MacLeods of Lewis, with several Septs including the MacLeods of Raasay Donald MacKinnon, Alick Morrison, 1969 **Traditional Gaelic Bagpiping, 1745-1945** John G. Gibson, 1998-09-30 The bagpipe is one of the cultural icons of Scottish highlanders but in the twentieth century traditional Scottish Gaelic piping has all but disappeared Few recordings were ever made of traditional pipe music and there are almost no Gaelic speaking pipers of the old school left Recording an important aspect of Gaelic culture before it disappears John Gibson chronicles the decline of traditional Highland Gaelic bagpiping and Gaelic culture as a whole and provides examples of traditional bagpipe music that have survived in the New World Pulling together what is known of eighteenth century West Highland piping and pipers and relating this to the effects of changing social conditions on traditional Scottish Gaelic piping since the suppression of the last Jacobite rebellion Gibson presents a new interpretation of the decline of Gaelic piping and a new view of Gaelic society prior to the Highland diaspora Refuting widely accepted opinions that after Culloden pipes and pipers were effectively banned in Scotland by the Disarming Act 1746 Gibson reveals that traditional dance bagpiping continued at least to the mid nineteenth century He argues that the dramatic depopulation of the Highlands in the nineteenth century was one of the main reasons for the decline of piping Following the path of Scottish emigrants Gibson traces the history of bagpiping in the New World and uncovers examples of late eighteenth century traditional bagpiping and dance in Gaelic Cape Breton Nova Scotia He argues that these anachronistic cultural forms provide a vital link to the vanished folk music and culture of the Scottish highlanders This definitive study throws light on the ways pipers and piping contributed to social integration in the days of the clan system and on the decline in Scottish Gaelic culture following the abolition of clans It also illuminates the cultural problems faced by all ethnic minorities assimilated into unitary multinational societies

Ancestry, 1972 **Sir William C. Macdonald** William Fong, 2007-08-24 Sir William Macdonald 1831 1917 is the father of the Canadian tobacco industry and one of the country's foremost educational philanthropists His contributions to McGill University transformed it into one of the world's foremost research and teaching institutions William Fong's biography places Macdonald's life in its historical context painting a vivid portrait of Victorian Canada Macdonald College of McGill University John Ferguson Snell, 1963 **Clanship, Commerce and the House of Stuart, 1603-1788** Allan I. MacInnes, 2022-07-07 This is an appraisal of clanship both with respect to its vitality and its eventual demise in which the author views clanship as a socio economic as well as a political agency deriving its strength from personal obligations and mutual service between chiefs and gentry and their clansmen Its demise is attributed to the throwing over of these personal obligations by the clan elite not to legislation or central government repression The book discusses the impact on the clans of the inevitable shift with the passage of time from feudalism to capitalism regardless of the Forty Five It draws upon estate papers family correspondence financial compacts social bonds and recorded oral tradition rather than the biased records of central government **The Macdonells of Pointe-Fortune (Scotus), Their Antecedants and Descendants (the Spanish John Family)** Evelyn M-M. Scullion, 2005 *Clergymen and Chiefs* Alexander McQueen Quattlebaum, 2002 In 1962 Alexander McQueen Quattlebaum first visited the Isle of Skye off the west coast of Scotland After surveying the land and finding it a stark contrast to the fertile fields of South Carolina's lowcountry he understood why after generations his forbears had chosen to leave the Scottish isle and cross the Atlantic However over the next two decades he made annual visits to Scotland and slowly uncovered the rich history of the MacQueen and Macfarlane families *Duanaire na Sracaire: Songbook of the Pillagers* Wilson McLeod, 2017-07-05 Duanaire na Sracaire is the first anthology to bring together Scotland's Gaelic poetry from the millenium c 600 1600 AD when Scotland shared its rich culture with Ireland It includes a huge range of diverse poetry prayers and hymns of Iona Fenian lays praise poems and satires courtly songs and lewd rants songs of battle and death incantations and love poems All poems appear with facing page translations which capture the spirit and beauty of the originals and are accompanied by detailed notes A comprehensive introduction sets the context and analyses the role and functions of poetry in Gaelic society This collection will appeal to poetry lovers Gaelic speakers and those keen to explore a vital part of Scotland's literary heritage **Gaelic Cape Breton Step-Dancing** John G. Gibson, 2017-07-04 The step dancing of the Scotch Gaels in Nova Scotia is the last living example of a form of dance that waned following the great emigrations to Canada that ended in 1845 The Scotch Gael has been reported as loving dance but step dancing in Scotland had all but disappeared by 1945 One must look to Gaelic Nova Scotia Cape Breton and Antigonish County to find this tradition Gaelic Cape Breton Step Dancing the first study of its kind gives this art form and the people and culture associated with it the prominence they have long deserved Gaelic Scotland's cultural record is by and large pre literate and references to dance have had to be sought in Gaelic songs many of which were transcribed on paper by those who knew their culture

might be lost with the decline of their language The improved Scottish culture depended proudly on the teaching of dancing and the literate learning and transmission of music in accompaniment Relying on fieldwork in Nova Scotia and on mentions of dance in Gaelic song and verse in Scotland and Nova Scotia John Gibson traces the historical roots of step dancing particularly the older forms of dancing originating in the Gaelic speaking Scottish Highlands He also places the current tradition as a development and part of the much larger British and European percussive dance tradition With insight collected through written sources tales songs manuscripts book references interviews and conversations Gaelic Cape Breton Step Dancing brings an important aspect of Gaelic history to the forefront of cultural debate Riddoch on the Outer Hebrides Lesley Riddoch,2022-05-15 Riddoch on the Outer Hebrides is a thought provoking commentary based on broadcaster Lesley Riddoch s cycle journey through a beautiful island chain facing seismic cultural and economic change Her experience is described in a typically affectionate but hard hitting style with humour anecdote and a growing sympathy for islanders tired of living at the margins but fearful of closer contact with mainland Scotland *Bibliography of Scotland* ,1985 North American Gaels Natasha Sumner,Aidan Doyle,2020-11-18 A mere 150 years ago Scottish Gaelic was the third most widely spoken language in Canada and Irish was spoken by hundreds of thousands of people in the United States A new awareness of the large North American Gaelic diaspora long overlooked by historians folklorists and literary scholars has emerged in recent decades North American Gaels representing the first tandem exploration of these related migrant ethnic groups examines the myriad ways Gaelic speaking immigrants from marginalized societies have negotiated cultural spaces for themselves in their new homeland In the macaronic verses of a Newfoundland fisherman the pointed addresses of an Ontario essayist the compositions of a Montana miner and lively exchanges in newspapers from Cape Breton to Boston to New York these groups proclaim their presence in vibrant traditional modes fluently adapted to suit North American climes Through careful investigations of this diasporic Gaelic narrative and its context from the mid eighteenth century to the twenty first the book treats such overarching themes as the sociolinguistics of minority languages connection with one s former home and the tension between the desire for modernity and the enduring influence of tradition Staking a claim for Gaelic studies on this continent North American Gaels shines new light on the ways Irish and Scottish Gaels have left an enduring mark through speech story and song **The Genealogical Helper** ,1991 **Pedigrees, Power and Clanship** David Sellar,2023-11-02 This book brings together the major writings of David Sellar 1941 2019 on the genealogies pedigrees claimed by some of the major clans of medieval Highland and Island Scotland especially the descendants of their twelfth century king Somerled The claimed pedigrees in the medieval Gaelic 1467 manuscript and the Irish genealogies are critically analysed in relation to each other and their historical authenticity tested against other evidence including the Gaelic or Norse quality of their recorded names Contemporary literary material is considered alongside later recorded traditions descending from the seanchaidh whose work was to hand down to posterity the valorous actions conquests battles skirmishes

marriages and relations of the chiefly ancestors by relating and singing them at births baptisms marriages inaugurations feasts and funerals The family pedigrees offer crucial insights into the nature of medieval society supporting and sometimes explaining a family's socio political position As an exercise in propaganda a pedigree was susceptible to fabrication and not to be trusted uncritically David Sellar's meticulous analysis reveals the social and political realities of medieval Celtic Scotland making use of heraldic evidence as well as his legal expertise in a fluent and reader friendly style
