Wayne Dyer's fans have wondered when he would write a memoir. Well, after four decades as a teacher of self-empowerment and the best-selling author of more than 40 books, Wayne has finally done just that. However, he has written it in a way that only he can, with a remarkable take-home message for his longtime followers and new readers alike. The result is an exciting new twist on the old format. Rather than a plain old memoir, Wayne has gathered together quantum-moment recollections. In this revealing and engaging book, Wayne shares dozens of events from his life, from the time he was a little boy in Detroit up to the present day. In unflinching detail, he relates his vivid impressions of encountering many forks in the road, taking readers with him into these formative experiences. Yet then he views the events from his current perspective, noting what lessons he ultimately learned as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service. As a reader, you will feel as if you are right there with Wayne, perusing his personal photo album and hearing about his family, his time in the service, how he writes his best-selling books, and so much more. In the process, you will be inspired to look back at your own life to see how everything you have experienced has led you to where you are right now. Wayne has discovered that there are no accidents. Although we may not be aware of who or what is moving the chess pieces, life has a purpose, and each step of our journey has something to teach us. As he says, "I wasn't aware of all of the future implications that these early experiences were to offer me. Now, from a position of being able to see much more clearly, I know that every single encounter, every challenge, and every situation are all spectacular threads in the tapestry that represents and defines my life, and I am deeply grateful for all of it." I Can See Clearly Now is an intimate look at an amazing teacher, but it also holds the key for seekers on a personal path of enlightenment. Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses, helping us accomplish the mission we came here to fulfill. Excuses Begone!

Dr. Wayne W. Dyer, 2011-01-01

Within the pages of this transformational book, Dr. Wayne W. Dyer reveals how to change the self-defeating thinking patterns that have prevented you from living at the highest levels of success, happiness, and health. Even though you may know what to think, actually changing those thinking habits that have been with you since childhood might be somewhat challenging. If I changed it, it would create family dramas. I'm too old or too young. I'm far too busy and tired. I can't afford the things I truly want. It would be very difficult for me to do things differently, and I've always been this way. May all seem to be true, but they're in fact just excuses. So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone, along with ways to cast them aside once and for all. You will learn to apply specific questions to any excuse and then proceed through the steps of a new paradigm. The old habituated ways of thinking will melt away as you experience the absurdity of hanging on to them. You will ultimately realize that there are no excuses worth defending ever, even if they've always been part of your life, and the joy of releasing them will resonate throughout your very being. When you eliminate the need to explain

your shortcomings or failures you'll awaken to the life of your dreams Excuses Begone **Wayne Dyer** Maria Price, 2015-10-08 Wayne Dyer 17 Best Lessons To Learn From Wayne Dyer on How To Heal Your Life and Achieve Success This book is the reflection of Wayne Walter Dyer's thoughts He is the motivational speaker who wrote many books to motivate people Dyer's first book named *Your Erroneous Zones* was a huge success Later on he became very famous and now people have his recordings tapes and books to motivate themselves As far as this book is concerned it will tell you something about the Father of Motivation Wayne Dyer Moreover you will learn how to become successful in your life If any past incident has left a bad impression on your life and due to that incident you feel miserable one then reading this book would be ideal This book aims to bring you back to your life by lifting you up high by way of motivational words of Wayne Dyer After reading this book you will be able to give meaning to your life Besides healing your life you will also learn that how you can turn your weaknesses into your strengths to become more successful in life This marvelous motivational book aims to encompass the following topics in the highlight of Wayne Walter Dyer's imagination and thoughts A brief insight to Wayne Dyer's life 17 best lessons to learn to heal your life and achieve success Some more life lessons given by Wayne to motivate yourself Follow few steps to prepare yourself for success Download your E book Wayne Dyer 17 Best Lessons To Learn From Wayne Dyer on How To Heal Your Life and Achieve Success by scrolling up and clicking Buy Now with 1 Click button Tags wayne dyer hay house wayne dyer kindle books free dr wayne dyer kindle books wayne dyer kindle books dr wayne dyer wayne dyer wayne dyer audiobooks wayne dyer books wayne dyer ebooks wayne dyer kindle motivation manifesto motivational interviewing motivational books motivational books for women motivational quotes free motivational books motivation books motivation and personality motivation Co-creating at Its Best Dr. Wayne W.
