## **Freedom On My Mind :**

*Cyberbrain* Benoit Blanchard, 2014-11-08 The United States government's plan to eradicate crime. A billionaire doctor's sinister plot to expand mind control throughout North America under the auspices of the American president. An ethical neurosurgeon whose purpose in life is to prevent Cyberbrain's expansion outside the United States. Max Wilson, a medical school student from Buffalo, is looking forward to saving lives. His peers, however, are pressuring him to consider a lucrative offer from the Cyberbrain Corporation to train as a government-sponsored doctor inserting neural implants or cybers in the brains of newborns. Cyberbrain, a program designed by billionaire doctor Patrick Kobayashi, to eliminate crime by stifling criminal thought right where it starts in the brain. Max and his friends were part of the first wave of Cyberbrain implants. He's told time and again that it's something he should be proud of, but he feels trapped inside his own head. An accident on Canadian soil puts him under the scalpel of Dr. Warren Alston. Alston is a respected neurosurgeon who refused to be a lackey to Kobayashi's pet project at the beginning of his career. He fled to Canada where free will was still the law of the land. Alston is recruited years later by Kobayashi to expand Cyberbrain's operations to Canada, but he sends the billionaire packing. Alston extracts the cyber from Max's brain and sends it to a secret lab for study. Alston is convinced Cyberbrain's implants pose a far greater threat to society at large than merely suppressing criminal thought. Max has become the only living person to have his cyber removed. He discovers the true meaning of free will and he understands why he felt trapped inside his head. Max refuses to submit to a direct order for a new implant; he is a wanted man. But Max is convinced that anyone who has undergone a neural implant must have their cyber removed, beginning with his girlfriend Vanessa. With Dr. Alston's help, Max is prepared to risk arrest to bring Vanessa across the border. Will Dr. Alston's war on Cyberbrain prove that Kobayashi has something far more menacing in mind? Will Max be able to convince Vanessa that free will is far more desirable than suppressed thought?

**I Can't Wait to Call You My Wife** Rita Roberts, 2022-10-18 This book honors the voices of African Americans of the Civil War era through their letters, inviting readers to engage personally with the Black historical experience. Amidst bloody battles and political maneuvering, thousands of African Americans spent the Civil War trying to hold their families together. This moving book illuminates that struggle through the letters they exchanged. Despite harsh laws against literacy and brutal practices that broke apart Black families, people found ways to write to each other against all odds. In these pages, readers will meet parents who are losing hope of ever seeing their children again and a husband who walks fifteen miles to visit his wife enslaved on a different plantation. The collection also includes tender courtship letters exchanged between Lewis Henry Douglass and Helen Amelia Loguen, both children of noted abolitionists, and letters sent home by the young women who traveled south to teach literacy to escaped slaves. Roberts' expert curation allows readers to see the wider historical context. The transcriptions are accompanied by reproductions of selected original letters and photographs of the letter writers. **FRESH ANGLE ON HISTORY** Roberts reframes the Civil War era by telling the story of

American slavery through letters And by focusing on the strong bonds of love that these letters represent she offers a deeply human and relatable version of history AUTHORITATIVE YET ACCESSIBLE Throughout the book Roberts provides expert context while weaving compelling stories about the individual letter writers Readers can connect with history directly by reading actual words from the time and seeing photographs of both the letters and the writers NUANCED PERSPECTIVE As Americans wake up to the complex legacy of race in this country Roberts book challenges a notion of a monolithic Black experience during the Civil War BEAUTIFUL BOOK This handsome hardcover provides an elegant presentation complete with images throughout While intense and often tragic the stories carry inspiration for how to live and love through incredibly difficult times This will make a truly meaningful addition to any book collection Perfect for Readers of Black history Civil War history and American history History students Letter writers Fans of historical letters *Where No One Hears Me... The Inner Dialogue of a Lifer Convict* Mark Crawford, 2016-03-06 Born in Hagerstown MD Mark grew up in Jacksonville FL He left home at the age of 15 he wandered the streets of Jacksonville worked the orange groves in Brooksville FL then moved to Aransas Pass where he learned to weld Mark joined the Army in 1974 and also met and married Teresa Mata Mark served five years in the Army and was honorably discharged Mark and Teresa have three children and six grandchildren Mark was elected in 1988 and 1990 as Mayor of Ingleside TX In 1996 Mark was arrested and charged with murder In 1997 a Rockport TX jury led to a hung jury and then an acquittal at a second trial in San Antonio However in spite of the Double Jeopardy laws the Federal Government retried Mark in Fresno CA in 1999 where he was found guilty conviction While Mark admits guilt in other charges he continues to maintain his innocence in that murder conviction In prison Mark has become proficient at writing and an accomplished artist The Collected Works of J. Krishnamurti Jiddu Krishnamurti, J. Krishnamurti, 1991 In this volume Krishnamurti takes great care to elucidate this necessity of a revolution within our consciousness where the problem lies before we expect any kind of revolutionary change outside of ourselves Krishnamurti posits that if the politicians and scientists wanted to end starvation in the world it could be done It could be done but they are not going to do it as long as their thinking is based on nationalism on motives of their own personal profit And even if this far reaching outward change were brought about it seems to me that the problem is much deeper The problem is not merely starvation war the brutality of man to man it is the crisis in our own consciousness Fundamentally the problem lies within p 295 **Transforming Relationships Through Belief Work** Nicole Biondich, Mayline Robertson, 2022-10-10 Your life is a rich tapestry woven from the threads of relationships that your soul has been drawn to experience in order to learn many valuable lessons Relationships are how you first create a sense of your own identity and how you heal wounded parts of yourself Each relationship you encounter is a mirror of your strengths your fears and your weaknesses This workbook is designed to take you on a journey of getting to know yourself better through the relationships that you have attracted The work you do here will further your understanding of the subconscious limiting beliefs you carry

about relationships Through the belief work tools in this book you can create more connection more harmony and weave more unconditional love into the tapestry of all the relationships that are in your life AETS Yearbook ,1980
