Galatians Zondervan Exegetical Commentary On The New Testament:

Galatians Thomas R. Schreiner, 2011-01-04 Concentrate on the biblical author's message as it unfolds. Designed to assist the pastor and Bible teacher in conveying the significance of God's Word, the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek. With a unique layout designed to help you comprehend the form and flow of each passage, the ZECNT unpacks the key message. The author's original translation, an exegetical outline, verse-by-verse commentary, theology in application, while primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will benefit from the depth, format, and scholarship of these volumes. In this volume, Thomas R. Schreiner offers pastors, students, and teachers a focused resource for reading Galatians. Through the use of graphic representations of translations, succinct summaries of main ideas, exegetical outlines, and other features, Schreiner presents Paul's Epistle to the Galatians with precision and accuracy. Because of this series' focus on the textual structure of the scriptures, readers will better understand the literary elements of Galatians, comprehend the author's revolutionary goals, and ultimately discover their vital claims upon the church today.

This edition has also been rearranged for clarity and includes updated illustrations, appendices, bibliography, and assignments. A robust suite of learning aids is available for purchase to be used alongside the textbook to help students excel in their studies. These include a workbook, video lectures for each chapter featuring the authors, and a laminated quick study sheet with key concepts from the book.

Paulus als Erzähler? Christoph Heilig, 2020-08-10 Paulus ist vor allem als theologischer Denker bekannt. Nun behaupten gewichtige Stimmen aus dem englischsprachigen Raum, die Exegese seiner Briefe habe sich bisher viel zu sehr auf abstrakte Konzepte und Argumentationsfiguren konzentriert. Vielmehr sei die Erkenntnis von fundamentaler Bedeutung, dass die Texte durch und durch von Geschichten geprägt seien. Gemeint sind nicht explizite Erzählungen, sondern narrative Strukturen, die im Subtext oder in der Weltanschauung des Autors verortet werden. Heiligs Studie unterzieht diesen narrative approach einer kritischen Prüfung. Kann im Fall von Briefen sinnvoll von Narrativen gesprochen werden? Ist die Priorisierung impliziter Erzählungen sinnvoll? Mit welchem methodischen Werkzeug könnte man die bisher angeblich übersehenen Erzählungen identifizieren? Heilig

beantwortet diese und weitere grundsätzliche Fragen unter Bezugnahme auf die erzähltheoretische und textlinguistische Forschung und zeigt in der Analyse konkreter Texte auf wie Paulus tatsächlich als Erzähler auftritt Dabei demonstriert er wie eine initiale Konzentration auf explizite Erzählungen tatsächlich auf einen Weg zu einer neuen narratologisch fundierten Betrachtungsweise der Schriften des Apostels führen kann

The Apocalyptic Paul Jamie Davies, 2022-05-09 The Apocalyptic Paul is rapidly becoming one of the most influential contemporary approaches to the apostle's letters and one which has generated its share of controversy Critiques of the movement have come from all sides Pauline specialists scholars of Jewish and Christian apocalyptic literature and systematic theologians have all raised critical questions Meanwhile many have found it a hard conversation to enter not least because of the contested nature of its key terms and convictions Non specialists can find it difficult to sift through these arguments and to become familiar with the history of this movement its most important contemporary voices and its key claims In the first part of this book New Testament scholar Jamie Davies offers a retrospective introduction to the conversation charting its development from the turn of the twentieth century to the present surveying the contemporary situation In the second part Davies explores a more prospective account of the challenges and questions that are likely to energize discussion in the future before offering some contributions to the apocalyptic reading of Paul through an interdisciplinary conversation between the fields of New Testament scholarship Second Temple Jewish apocalypticism and Christian systematic theology

Paul and His Letters F. B. A. Asiedu, 2019-11-20 Paul the apostle and historian Flavius Josephus spent considerable parts of their careers away from Jerusalem They cultivated Roman audiences under very different circumstances Paul with his Letter to the Romans and Josephus with the writings he produced in Rome after the Jewish War Curiously Paul's last visit to Jerusalem coincided with Josephus's entry into public life a period about which Josephus is deliberately silent In *Paul and His Letters* Thinking with Josephus F B A Asiedu selects themes from Josephus's life to explore Paul's letters and biography that contribute to his uniqueness in Jewish history He highlights for example the need to read Romans 9-11 as aporetic discourse to appreciate Paul as an existential thinker Asiedu considers among other things the authenticity of Paul's letters and offers an alternative to the prevailing scholarly consensus He also maintains that the Pauline collection in the New Testament first took shape in the house of Gaius in Corinth where Paul composed his Letter to the Romans Asiedu also suggests that the traditional view that Luke the physician wrote the Acts of the Apostles is probably a mistake He argues that Titus the Greek the coworker and friend of Barnabas and Paul most likely authored it

Choose Life John Goodrich, Jeanette Hagen Pifer, 2022-05-03 You're pro life But can you explain why You already believe in choosing life But when the counterarguments are coming at you from every angle legal biological medical ethical moral philosophical and biblical how do you defend the pro life view And as you defend it how do you speak with wisdom humility and compassion Now more than ever the times call for a balance of truth and mercy There are good wise and thoughtful rebuttals of every

claim made by pro abortion advocates Collected here in one place Choose Life offers you reasonable responses from leading experts in their respective fields The authors are accomplished women and men from all walks of life They ll help you know what to say and why to say it when you re faced with claims like The courts have already settled the issue The fetus is not a person My body my choice I shouldn t have to raise an unwanted child My circumstances justify ending my pregnancy Abortions are helpful to women and society The pro life movement doesn t care about social justice It s time to set aside the strident fist shaking and hurled insults Learn to make the pro life case with intelligent arguments and compassionate love just the way a Christian should Invitation to Biblical Theology Jeremy M. Kimble,Ched Spellman ,2020-08-04 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God s plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God s glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy

Christianity and Wokeness Owen Strachan,2021-07-20 How wokeness in entering the culture How wokeness is entering the church Why is wokeness an ungodly system Theological issues Why is wokeness and ungodly system Cultural issues What does the Bible teach about identity and ethnicity Old Testament What does the Bible teach about identity and ethnicity New Testament Hard questions on American history and other hot topics **That His Spirit May Be Saved** Jeremy M. Kimble,2013-12-10 In an age of tolerance and moral laxity the implementation of church discipline is often looked upon with disdain fear or incredulousness However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time judgment As such discipline also serves as a means to the sinner s repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one s faith **To Save Sinners** Michael Riccardi,2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity the very heart of the gospel Because of this one

does not stray far from the heart of the Christian faith when he asks For whom has Christ accomplished so great a salvation Answers to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents

The Doctrine of the Covenant of Redemption According to John Gill (1697-1771) Wang Yong Lee, 2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697 1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ

The Price of Partnership in the Letter of Paul to the Philippians Mark A. Jennings, 2018-01-25 Mark A Jennings challenges the consensus that there is no clear single purpose that shapes the entire epistle to the Philippians instead arguing that there is significant evidence for Paul to have written the letter with the sole intent of persuading the church to maintain its exclusive partnership with him and his gospel mission Jennings examines each section of Philippians with standard historical critical methods rhetorical criticism and social scientific methods Establishing that Paul's argument is rooted in three fundamental tenets emphasis is first placed on koinonia and the

agreement that Paul and the Philippians had entered into regarding his apostolic mission Second Jennings looks at the repeated proofs that Paul offers that simultaneously affirm the ordained superiority of his apostolic mission and repudiate the claims of his rivals Third Jennings analyses the issue of finances in the epistle discussing how Paul rhetorically transforms the Philippians financial support into a salient indicator that they esteem his gospel mission authentic Finally whereas other scholars have argued that Paul entreats the Philippians to be steadfast in their commitment to the gospel of Christ Jennings proposes that Paul urges the church to be steadfast in their commitment to his gospel of Christ Jennings then considers how this seemingly small distinction has profound ramifications for understanding the letter and shows the gap between these interpretations
